NUMBER OF REGULAR SEASON CONTESTS: No more than one may be scheduled per week. Total 10 games. An individual is limited to only one game per day, per week (exception: "eight-quarter" rule).

EIGHT QUARTER PARTICIPATION: In emergency or “lack of depth” situations only, freshman and/or sophomore junior varsity football players will be allowed a maximum of 8 quarters per season of “on the field” play as a varsity football player. This is an allowable exemption from the rule counting dressing for a game as participation in a varsity contest and will enable a junior varsity player to be available for emergency or lack of depth participation in the varsity contest. The intent of the rule is to give coaches some alternatives for junior varsity players to continue to gain value game experience at the junior varsity level and still be available as a backup player in the varsity game. The following conditions must be met:

- A maximum of 12 different players may be 8-quartered during the regular season.
- Such players must be pre-determined prior to dressing for participation—completion of the 8 Quarter Pre-Approval Form containing signatures of a licensed athletic trainer or medical doctor, principal, athletic director, and parent/legal custodian. (If a designated player or players participated in the junior varsity contest, medical information shall include evidence that player(s) is adequately hydrated and void of injury that would render player(s) unfit to play.) The form must be filed at the school and with the conference president on the day of the scheduled game.
- Following the game, a status report on the designated players must be completed which shall include the names of all freshman and sophomore junior varsity football player(s) designated and dressed as emergency players and report the number of quarter(s) in which each athlete actually played. Any portion of a quarter equals a quarter played. If a player dresses out but does not play, record as “0” quarters played. Form must be signed by coach, athletic director and principal and submitted on line to the NCHSAA by the first school day after the varsity contest.
- Anytime a JV player must be used as a starter on the varsity team, that player is eligible for either the next JV game or varsity game.
- \$500 fine for failure to submit follow-up form to NCHSAA.
- If your school's JV Football game is:
 - Cancelled - you may not use the 8-quarter rule for Friday's varsity football game. If a JV player participates in the varsity game, it will count towards the maximum allowed 11 games per for an individual; therefore no 8-quarter paperwork would need to be filed
 - Postponed - you may use the 8-quarter rule for the Friday varsity football game. Submit 8-quarter paperwork as usual

ENDOWMENT GAMES: One endowment game may be played which does not count against the regular season game limitation. Schools must request (both opponents must be informed the game is being requested to be classified as the endowment game) and be granted prior permission by the NCHSAA to play the endowment game (the request form will be on the NCHSAA website). 25% of the gross revenue will be remitted to the NCHSAA's endowment fund; next expenses will be deducted from the remaining proceeds and then the competing schools will divide the remainder. NOTE: The NCHSAA may approve additional endowment game requests to assist member schools with scheduling issues; however, under no circumstances may any additional endowment game (other than the one allowed and described above) be played that would otherwise result in any member school exceeding the regular season game limitation. No endowment game(s) will be used as a part of the tie-breaking system.

ELIGIBILITY SHEETS: Should be kept on file at the local school. Must be made available to NCHSAA upon request, and are required to be shared among conference members.

CAMPS: No body-to-body contact is allowed. This includes clinics, combines and camps during the school year or summer.

RESTRAINING BARRIERS: At all varsity football games there shall be restraining barriers on both sides of the field. These barriers shall run the entire length of the field and shall be at least five yards (preferably more) from the sidelines. The restraining barrier may be a fence, cable or strong rope. No one is permitted within these barriers except coaches, players and persons officially connected with a team. It is highly recommended that all schools completely surround their football field with a substantial four-foot restraining fence, constructed a minimum of five yards from any sidelines or end line.

REQUIRED EQUIPMENT: Schools must provide yardage clip for down and distance chains. Balls must have the authenticating NFHS ball mark.

FILMING AND VIDEOTAPING: Filming or videotaping of games by non-participating schools is considered unsportsmanlike conduct, subject to a \$400 fine, unless agreed upon by the competing teams.

JUNIOR VARSITY TIEBREAKER: Junior varsity football teams may break ties in games if both coaches mutually agree prior to the game.

OFFICIALS: Five-man officiating crews are used in all regular-season contests; post season varsity football contests will be determined by the NCHSAA. It is recommended that junior varsity games have a five-man crew.

PAYMENT OF OFFICIALS: Officials are to be paid based on local fiscal policy as soon as possible.

EJECTIONS: Failure to file an ejection report for a player or coach (form found online) is subject to a \$50 fine. Reports must be filed within 48 hours or two working days, of the ejection. An ejection is a judgment call; therefore, there are no appeals. If the wrong player is identified, a correction can be made through the regional supervisor and the NCHSAA.

SUSPENDED GAME RULE: The NCHSAA plays by the suspended game rule on all sports (see Game Administration section).

SCHEDULES: Schools are required to submit varsity and junior varsity schedules to their appropriate regional supervisors by May 15.

PRACTICE AND CONDITIONING

STATE MEDICAL REQUIREMENTS: A licensed athletic trainer or sports medicine first responder is required by state law to be at practice and at games.

CONDITIONING REQUIREMENTS: The first five (5) days of practice are required to be used for physical conditioning according to the following provisions: The NCHSAA emphasizes the importance of these regulations for safety.

- On the first two (2) days, headgear, shorts and football shoes constitute acceptable dress. On days, (3) three, (4) four and (5) five, shoulder pads may be added, but **ABSOLUTELY** no body-to-body contact is permitted (see Penalty Code for Violations). Practice during the first (5) five-day period shall be limited to (3) three hours, **INCLUDING** flex time (stretching) and breaks. On day (6) six, full uniforms may be worn, and body-to-body contact is allowed.
- This conditioning period may include calisthenics, kicking, throwing, running and similar exercises. Arm shields, tackling or blocking dummies, charging sleds or similar devices may also be used during these five days. Squad meetings, skull sessions, film study and the like are allowed during the five-day period.
- **ALL** football players, with the exception of soccer players who play only as kickers must follow the preceding conditioning requirements. Any student, who is late coming out for the team, must still undergo (5) five days of physical conditioning as outlined prior to beginning regular practice and workouts.

PRACTICE OPTIONS: There are set practice options that can be utilized during the football preseason period:

- Option A - One, (3) three hour practice (which includes "flex time")
- Option B - One, (3) three hour practice, followed by a **MANDATORY** (3)three hour cool down period, followed by a (1) one hour walk-through
- Option C (Double Practice) - One (3) three hour, or (2) two hour practice, followed by a **MANDATORY** (3)three hour cool down period, followed by a (2) two hour, or (3) three hour practice (Maximum of (5) five hours of practice time per 24 hour period)

*Option C days **MUST** be followed by Option A, Option B, or off-day

*Under **no circumstances** may you have back-to-back Option C days

*The mandatory cool-down period must be held in an air-conditioned environment

PRACTICE SCHEDULE: Listed are the various options available for each preseason practice day:

- August 1 - 6 (excluding Sunday)
 - Option A or Option B
- August 7 (1st Day of Contact) - August 17 (or first day of school, whichever comes first)
 - Option A, Option B, or Option C (refer to practice options for stipulations)
- August 19 - End of Season
 - Option A ONLY (One 3 hour practice, which includes flex time)

DEFINITIONS:

- PRACTICE: That period of time a participant engages in a coach-supervised, school-approved, sport or conditioning-related physical activity; each practice should last no more than 3 hours. Warm-up, stretching, conditioning/weight room activities are included as part of the 3-hour practice time. Practices are timed from the time the players report to the field until they leave the field.
- REQUIRED PRACTICE: A player must/shall have participated in at least eight (8) separate days of team practice, three of which must be in full pads and included body to body contact, before participating in a football contest or scrimmage with outside competition (exception: athletes from other sports who play only as kickers). No exceptions, to fulfill this requirement, these must be football practices (not military training, summer track, etc.).
- CONTACT PRACTICE: The time when players may “hit” or have body to body contact; these drills may begin the day following the (5) five days used for acclimatization and physical conditioning; the use of all football protective equipment is permissible.
- SCRIMMAGE: Informal sports contest or practice match engaged in for practice purposes; may occur on Day 9 of the pre-season period. During this time, players may engage in hitting
- WALK-THROUGH: A teaching opportunity with the athlete not wearing protective equipment (e.g. helmets, shoulder pads, catcher’s gear, shin guards) or using other sport-related equipment. The walk-through is not part of the 3 hour practice period, can last no more than 1 hour per day, and does not include conditioning or weight room activities. In football, a (1) one hour maximum walkthrough is permitted during the 1st (12) twelve days of pre-season practice.
- COOL DOWN PERIOD: The (3) three hour time period between the end of (1) one practice or walk-through and the beginning of the next practice or walk-through. During this time, athletes should rest in a cool environment—helmets off, not in direct sunlight—with no sport or conditioning related activity permitted (e.g. speed or agility drills, strength training, conditioning, or walk-through). Treatment with the athletic trainer is permissible.

INCLEMENT/HOT WEATHER GUIDELINES: Precautions must be taken to prevent heat-related problems. The following should be considered when scheduling practice: time of day, intensity level of practice, equipment worn, and environmental conditions. High temperature and high humidity create a dangerous situation for athletes. However, a high humidity and low temperature can cause serious heat-related problems.

Water should be made available in unlimited amounts throughout practice. Water/fluid replacement breaks are recommended each 20 or 30 minutes, depending on practice conditions. Each LEA must have a written policy pertaining to practice on days of extreme heat or early dismissal due to extreme weather conditions. Schools must also have a policy in place regarding lightning. In addition to these guidelines, schools must have a plan/procedure for all emergency situations. See chart (next page) for details.

SPORTS SEASON NOTE: See item 29 under Game and Sport Administration for details on sports season concept. Football helmets are required and shoulder pads permitted during skill development. **During the entire time period between the end of football season and up through the first five days of practice for the next season, ABSOLUTELY NO body-to-body contact is allowed. This applies to workouts, combines, practices on campus, off campus 7 on 7 and includes the summer, including camps.**

Hot Weather Management, Prevention Guidelines and Recommendations

1. Measure WBGT reading if this can be done accurately onsite. If not, determine this from weather station or reliable airport site within 5 to 10 miles of practice site. If WBGT is not available, determine temperature in F/C and Relative Humidity and refer to the following Heat Index Chart:

Heat Index and Physical Exercise Chart		
WGBT Index (F)	Color Code	Athletic Activity Guideline
Less than 80	White	Unlimited activity with primary cautions for new or unconditioned athletes or extreme exertion; schedule mandatory rest / water breaks (5 min water / rest break every 30 min)
80-84.9	Green	Normal practice for athletes; closely monitor new or unconditioned athletes and all athletes during extreme exertion. Schedule mandatory rest / water breaks. (5 min water / rest break every 25 min)
85-87.9	Yellow (Amber)	New or unconditioned athletes should not practice. Well-conditioned athletes should have more frequent rest breaks and hydration as well as cautious monitoring for symptoms of heat illness. Schedule frequent mandatory rest / water breaks. (5 min water / rest break every 20 min) Have immersion pool on site for practice.
88-89.9	Red	All athletes must be under constant observation and supervision. Remove pads and equipment. Schedule frequent mandatory rest / water breaks. (5 min water / rest break every 15 min) Have immersion pool on site for practice.
90 or above	Black	SUSPEND PRACTICE

- As temperatures increase, minimize clothing and equipment.
- Provide unlimited drinking opportunities during hotter practices. NEVER withhold water from athletes.
- If and when possible, pre and post-practice weigh-ins should be conducted. (NOTE: an athlete who is not within 3% of the previous pre-practice weight should be withheld from practice. These athletes should be counseled on the importance of re-hydrating.)

PLAYOFFS

PLAYOFF DECLARATION: A school has the option to "opt out" of the playoffs, provided it fills out the Playoff Declaration Form on the website, submits it and it is in the NCHSAA offices prior to the reporting deadline for that specific sport. Proper submission means the school will not be considered for either an automatic berth or a wild card position. If the form is not submitted, then the school will be considered and may qualify for a playoff berth.

UNPAID FINES: Schools that have unpaid fines to the NCHSAA are not eligible to compete in the playoffs for that sport (i.e. baseball fine would be specific to baseball playoffs) unless the fine is paid two (2) days prior to the reporting date for that sport.

Any fine not paid at the end of the fiscal year (June 30) will carry over to the following school year making all teams at said school ineligible for playoffs until the fine is paid in full.

TIES IN STANDINGS: (1) The team leading in conference standings at the end of the season will be declared conference champion. (2) In the event two or more teams tie for a playoff position, the approved tiebreaking procedure shall be used (see Game & Sport Administration section). (3) **Any conference ties for football playoff berths must be broken and results reported to NCHSAA by 6 a.m. on Saturday after the last regular season games.**

SEEDING AND SUBDIVIDING: Each classification will be subdivided (1-A, 1-AA, 2-A, 2-AA, 3-A, 3-AA, 4-A, 4-AA). The following steps will be followed:

PLAYOFF BERTHS/QUALIFICATION:

1. A team must finish 1st, 2nd or 3rd in the conference to qualify. In a split conference a team must finish 1st or 2nd in their division, OR
2. If not enough teams qualify using the criteria in #1 above, we would take the teams with the highest 10-game winning percentage, followed by conference winning percentage (split conferences use all conference games), OR
3. If too many teams qualify using the criteria in #1 above, we would take the teams with the best overall conference finish followed by the highest conference winning percentage to determine the qualifiers.
4. All classifications will field a full complement of 64 teams, 32 in each sub-division. There will be no byes.
5. If ties exist at any level the tie(s) will be broken by a draw conducted by the NCFBCA. Once the 64 teams are determined they will be divided into groups of 32 (large and small groups of 32) based on their ADM for the present school year. The next step is to divide each group of 32 into the 16 eastern and western most teams. This is not done by conferences but on actual geography (location of each school).

SEEDING

- a. seed all #1s by overall records – ties will be broken by a draw. Conference champions tied for first will be seeded as number ones if they are going into different subdivisions (A or AA).
- b. if school finishes first in its part of a classification in a split conference, it is seeded as a number one and not actually where it finished overall in the conference.
- c. seed all #2s by overall records – ties will be broken by a draw
- d. seed all #3s by overall records – ties will be broken by a draw
- e. seed all other qualifying teams (those with four or more wins) based only on their overall won/loss record, regardless of conference finish
- f. After seeding the 16 teams, the 1-A and 1-AA teams only will be placed geographically by longitude in "pods"—East, Mideast, Midwest, and West. The teams will be placed by seeds within the pods.

GENERAL INFORMATION FOR ALL CLASSIFICATIONS: Each school will only report a record indicating a total of 10 games and must drop a non-conference game, provided they played an 11th game.

If teams in any 'tier' of the seeding process have identical records, head-to-head competition will be used. If they have played one another, the winner receives the higher seed. If they haven't played one another, a draw is made for the higher seed.

The non-conference game that is dropped for seeding purposes may still be used in breaking a tie as described above, i.e. two teams in the same half of a bracket (both in the large, west 4AA bracket) are equal seeds from their individual conferences (both #2s) and have identical records (both 9-1). We will first try to break the tie(s) by looking at head-to-head competition. If these schools played each other in a non-conference game, but one of them didn't count that game for seeding purposes, the game will still be used to break the tie, with the team that lost getting the lower seed.

Since teams that finish 1st, 2nd or 3rd are seeded in separate 'tiers' the overall record of a number two or even a number three team may be better than the record of a number one team. But under no circumstances will a team that finished as a #2 or #3 be seeded higher than any #1, nor will a #3 team ever be seeded higher than a #2. However, since all teams that finish lower than #3 are seeded in the same 'tier' regardless of conference finish, it will be possible for a team that finishes as a #5 to be seeded higher than a #4, or a #6 to be seeded higher than a #5, since the only consideration in that 'tier' is overall record.

Once seeding is complete, 1 plays 16, 2 plays 15, etc. In football the higher seed will always play at home.

REPORTING: Every effort should be made to play the final regular season game as scheduled. Saturday is the makeup day in the event of inclement weather on Friday (game time no later than 1 p.m.). There will be no exceptions because of the importance of the seeding process. **The conference president must report the berths, conference standings and overall records as required by the NCHSAA by 11:30 p.m. on the 12th playing date.** Postponements should also be reported. Preliminary brackets will be posted as soon as they are completed. Any corrections should be reported to the NCHSAA within one hour after posting. Final brackets will be posted thereafter.

Failure to comply with the initial reporting procedure will result in a \$400 fine to the conference.

After schools have qualified for the playoffs, it is their responsibility to report advancement by the appropriate method and deadline as designated by the NCHSAA. Failure to report a playoff advancement will result in a \$400 fine to the school. Teams advancing must contact the NCHSAA no later than 8 am the day following each win. Postponements should also be reported.

Check website for additional information.

It is the duty of the competing schools to confer with respect to the wishes of their school. The principal of the host school should contact by telephone the principal of the other school within 24 hours after knowledge of the playoff. Arrangements must be made for designated school representatives to meet to discuss arrangements and fix responsibility for various details. All financial arrangements must be made prior to the contest.

Games in other sports may be rescheduled when participation in the football playoffs would affect those games (e.g., early-season men's basketball games if the football team is involved in playoffs).

REQUIRED PLAYOFF INFORMATION: Fact sheet, roster forms, two-deep depth chart forms and other required information for football playoff qualifiers may be found online. Note deadlines for submission of material. **This is mandatory for playoff qualifiers.**

SELECTION OF OFFICIALS: For the first two rounds of the state playoffs, officials are to be assigned by the regional supervisor of the higher seeded team. The NCHSAA Supervisor of Officials will assign a regional supervisor to assign crews to games in the quarterfinals and NCHSAA regionals. Clock operators may be assigned starting with the second round, but this is strictly optional for schools. The Supervisor of Officials will assign crews to all state championship games. A seven-man crew will be used in the championship games.

CHAMPIONSHIP PRESS CONFERENCE: A press conference and information session preceding the football championships will be held on Monday, December 9, 2013 at Vaughn Towers at N.C. State. All regional champions who qualify for the state finals are asked to bring their superintendent, principal, athletic director, head football coach and members of the media who cover their team. This information session/press conference is mandatory; at least one of the aforementioned personnel from the school must be in attendance. Failure to comply will include a fine and forfeiture of complimentary tickets/VIP passes for the event.

STATE CHAMPIONSHIPS: The state championships are scheduled for December 13-14, 2013 at Kenan Stadium, Carter-Finley Stadium, and BB&T Field. The Western teams will be designated as home. Game times TBA.

NCHSAA SPORTS BRACKETS

For the most up-to-date information on brackets in various sports, including conference playoff berths, seeding priorities and qualifiers, consult the NCHSAA web site at www.nchsaa.org, and use the Playoff Brackets link on the homepage.

Since brackets sometimes undergo changes during the course of an academic year, the decision has been made to omit them in printed form in the Handbook and make them available only on line. This eliminates confusion between brackets printed in some cases many months before the playoffs begin, and the actual updated online versions that may contain changes from the original version.

OFFICIATING
