The North Carolina High School Athletic Association invites each of our member schools to register for the Student Leadership Conference (SLC)! Our hope is that student-athletes will (1) further develop their understanding of positive leadership; (2) gain the knowledge and skills to effectively lead their peers; (3) acquire a general understanding of the importance of community service, positive values, sportsmanship, healthy lifestyles and self-evaluation; and (4) feel empowered to serve as advocates for their school, community and state. This **one-day** conference is a great opportunity for them to take steps in the right direction of achieving new levels of leadership.

The 2018 SLC will be held in Chapel Hill, NC at the popular Sheraton Hotel. We invite student-athletes to participate in a day of fun, learning, sharing, and growing with our prestigious keynote speaker and session leaders. Each presentation and breakout session uniquely combines interactive learning with fun and excitement.

Schools can register up to **four student-athletes** who exemplify leadership characteristics or show great potential to be leaders amongst their peers. We also invite one adult chaperone (coach, Athletic Director, Principal, etc.) to accompany the student leaders. The SLC will include three breakout sessions and two exciting keynote presentations. Each participant will be **required to attend all sessions**. The conference theme is Sportsmanship, which will be evident throughout each session.

In lieu of a registration fee, we ask that each participant bring at least two canned goods or non-perishable food items to contribute to a NC Food Bank.

We sincerely hope that you will give your student-athletes the opportunity to be a part of this experience! **SPORTSMANSHIP...Together We Make the Right Call!**
