TIME-OUTS
RULE 11-2 (PENALTY 2)

- An unnecessary delay is assessed when a coach requests a time-out in a set after it has taken its allotted time-outs
- Provides consistency in the application of an unnecessary delay penalty for request of a third or more time-outs within the same set
Editorial Change

PLAYER EQUIPMENT AND ACCESSORIES
RULE 4-1 (PENALTY 2)

- A player wearing illegal equipment attempting to enter the set is denied and unnecessary delay is assessed
- The player may enter the set once illegal equipment is removed or made legal
- Provides consistency in the application of an unnecessary delay

Editorial Change

PLAYER EQUIPMENT AND ACCESSORIES
RULE 4-1 (PENALTY 3)

- With adoption of the penalty for unnecessary delay, when a player wearing illegal equipment is discovered in the set, unnecessary delay is assessed
Even though the unnecessary delay is assessed, if the team has a time-out remaining, the coach may use the time-out, allow the player to remove the equipment or make legal, and the player may remain in the set.

Subsequent violations resulting in an unnecessary delay by the same team in the set, not match, result in administrative red card and loss of rally/point.

Points of Emphasis

IMPROVING COMMUNICATION BETWEEN SECOND REFEREE AND TABLE OFFICIALS

- Prior to start of match R2 meets with table officials
  - Assess their level of experience
  - Asks questions of how each person will carry out his/her responsibilities
  - Establishes how communication will occur
- During set No. 1 the R2 should listen and observe how the table officials carry out their responsibilities

Points of Emphasis

IMPROVING COMMUNICATION BETWEEN SECOND REFEREE AND TABLE OFFICIALS

- R2 is the extension from the R1 to the table officials
  - Important to cover what this means in terms of communication during pre-match with table officials
- R2 should not hesitate to confer with scorer or tracker if a question about lineup, libero, etc. arises
Points of Emphasis

**PROPER USE OF LINEUP CARD**

- Know the state association expectations for use of lineup card
- R2’s responsibilities with lineup card are NOT a duplication of scorer’s responsibilities
- Prematch meeting with table officials is critical as the R2 will confirm what is needed on the card based on experience of scorer

Points of Emphasis

  - Teams return to the court
  - R2 checks each team’s lineup
    - Substitution(s) is then recognized, recorded, and with R2 authorization, enters the court
