RULE 7-5-2E – PENALTY EXCEPTION

- This is a North Carolina experimental rule for 2019.

- It is legal for a player positioned directly behind the snapper to conserve time intentionally by throwing the ball forward to the ground immediately after receiving a direct hand-to-hand the snap that has not touched the ground.
RULE 7-5-2E – PENALTY EXCEPTION

- **RATIONALE:** Many teams utilize the spread offense and run all offensive plays from the shotgun formation. Making teams go under center for a direct, hand-to-hand snap is not keeping up with current trends of the game.

- **REFEREE** – Report # of times utilized in a game to Mark Dreibelbis, Supervisor of Officials @ mark@nchsaa.org.
By adoption, state associations may create instant replay procedures that permit game or replay officials to use a replay monitor during state postseason contests to determine if a decision by the on-field game officials is incorrect.
FOOTBALL JERSEY NUMBERS
RULE 1-5-1c

The entire body of the number (the continuous horizontal bars and vertical strokes) exclusive of any border(s) shall be approximately 1½ – inches wide.
FOOTBALL JERSEY NUMBERS RULES 1-5-1c, 1-5-1c(6) (NEW)

The style of the numbers on all four of these jerseys are legal now and will be in 2024 as well.
Rule Change

FOOTBALL JERSEY NUMBERS RULES 1-5-1c, 1-5-1c(6) (NEW)

The style of the numbers on these jerseys are legal through the 2023 season. The following four types of number designs will be illegal in 2024.
A scrimmage formation requires a minimum of five A players legally on their line and no more than four players behind their line at the snap. This formation would be a foul at the snap.
Even though there are only 10 Team A players on the field, because there are at least five linemen properly numbered and no more than four backs, this formation is legal.
Referee gives ready-for-play signal and 25-second play clock begins before a try following a score; to start a period or overtime series; following administration of an inadvertent whistle; following a charged timeout and following an officials timeout.

The play clock is set to 40 and is started immediately when a running play ends, team A gains a first down or after an incomplete pass.

PLAY CLOCK
RULES 2-35, 3-6-1, 3-6-2a, 7-2-1

- 40 Second Play Clock
  - End of a running play – **inbounds or out of bounds**
  - End of a pass play – **complete or incomplete**
Runner goes out of bounds (PlayPic A). Play clock is set to 40 and is started immediately (PlayPic B). The ball is marked ready for play when the umpire sets the ball and walks away to his position (PlayPic C).
When the 40-second play clock is in force, the ball is considered ready for play when the ball is placed and the umpire has moved to his position.
When the covering official declares the ball dead with an upraised arm, the play clock begins its countdown from 40 seconds.
In MechaniGram A, A1, who was downfield on the previous play, comes back inside the 9-yard marks prior to the umpire setting the ball with 35 seconds on the play clock and then immediately goes outside the marks after the ready-for-play. In MechaniGram B, A1 remains outside the 9-yard marks with 32 seconds on the play clock when the ball is placed by the umpire. The requirement remains in place that all players get inside the 9-yard marks after the ready-for-play and before the snap.
In MechaniGram A, the ball is placed by the umpire with 35 seconds on the play clock and A1, who was downfield on the previous play, then comes back inside the 9-yard marks. In MechaniGram B, A1 then goes outside the 9-yard marks with 32 seconds on the play clock. That is legal. A1 has met the requirement to be inside the 9-yard marks after the ready-for-play and before the snap.

- NCHSAA 40-Second Clock Rule ** New **

- If Clock Operator cannot comply, time will be kept on the field by the Back Judge.
The foul for tripping has been expanded to include the runner. It is now illegal to trip any opponent. Tripping is the intentional use of the lower leg or foot to obstruct an opponent below the knee. The penalty is 15 yards.
The penalties for illegally kicking the ball (PlayPic A) and illegally batting the ball (PlayPic B) have been reduced from 15 yards to 10 yards.
The name plate area (directly below the back collar) has been added to the criteria for an illegal horse-collar tackle. It is a foul to grab the inside back, name plate area or side collar of either the shoulder pads or the jersey of the runner and subsequently pull (backwards or sideward) that opponent to the ground, even if possession is lost. The horse-collar is enforced as a live-ball foul.
Team R may choose penalty enforcement from the succeeding spot for a foul other than kick-catch interference that occurs from the start of a kick down until the kick ends.

2019 NFHS FOOTBALL POINTS OF EMPHASIS
2019 NFHS FOOTBALL POINTS OF EMPHASIS

1. Proper Procedures for Weather Delays
2. Free-Blocking Zone and Legal Blocking
In PlayPic A, game is suspended with 4:00 left in 2nd period due to lightning. In PlayPic B, after 30-minute delay, game resumes and reaches halftime intermission. Halftime Intermission is still required to be at least 10 minutes in length.
The free-blocking zone is a rectangular area extending laterally 4 yards either side of the spot of the snap and 3 yards behind each line of scrimmage. A player is in the free-blocking zone when any part of his body is in the zone at the snap.
In MechaniGram A, lineman A4 was inside the free-blocking zone at the snap. In MechaniGram B, Blitzing linebacker B5 was not in the free-blocking zone at the snap and was not a lineman. When A4 blocks B5 below the waist, that is a foul.
In MechaniGram A, Team A is in shotgun formation. In MechaniGram B, back A3, who was outside the free-blocking zone, is outside the free-blocking zone when he blocks B5, who is also outside the zone, below the waist. That is a foul.
In MechaniGram A, Team A is in shotgun formation. In Mechanigram B, back A3, who was outside the free-blocking zone, is outside the free-blocking zone when he blocks B1 below the waist. That is a foul.
In Mechanigram A, because A6 did not immediately begin his block on the snap, he may not block below the waist. In Mechanigram B, the initial thrust is simultaneous with the snap. That is a legal block.
In MechaniGram A, A3 takes a backward pass on a toss sweep with A10 the lead blocker. In MechaniGram B, defender B4 blocks A10 below the waist to free up other defenders. That is a foul.
With less than 2 minutes left in the half and the game clock running, a false starts (MechaniGram A). The offended team may choose to start the game clock on the snap (PlayPic B).
ENCROACHMENT
RULE 7-1-6

- After the ready-for-play signal and after the snapper is in contact with the ball, it is encroachment if a defensive player contacts the ball or the snapper’s arms or hands until the snap is completed (Rule 2-40).
PASS INTERFERENCE
RULE 7-5-10

- Face guarding (without contact) in and of itself is no longer considered an act of forward pass interference.
2019 is a non-print year for the NFHS Football Game Officials Manual.

Added in 2018, that some white accents are now allowed on the black football shoe that game officials wear as a part of the game official uniform.

   1. Equipment Issues to be Addressed
   2. Consistent Pace of Play Throughout the Game
   3. Timing Rules and Procedures

The Game Officials Manual Committee updated for 2019 the following two items:
   1. NFHS General Instructions for Football Game and Play Clock Operators
   2. NFHS General Instructions for Football Line-To-Gain Crews
UPDATE ON RECOMMENDED CREW COMMUNICATION SIGNALS FOR 2019

Visible count by R (Four-Game Officials Crew) and BJ (Five-Game Officials Crew) of the last five seconds when the on-field 40/25-second play clocks are not utilized.

*Option A - One, 3 hour practice (which includes "flex time")

*Option B - One, 3 hour practice, followed by a MANDATORY 3 hour cool down period, followed by a 1 hour walk-through, or vice-versa (cannot wear protective equipment during walk-through).

*Option C (Double Practice) - One 3 hour or 2 hour practice, followed by a MANDATORY 3 hour cool down period, followed by a 2 hour or 3 hour practice (Maximum of 5 hours of practice time per 24 hour period). There can never be back-to-back days with an option C practice. You must follow an option C practice with an option A/B practice or an off-day. ***The 2 hour practice must be NON-CONTACT ONLY***

*Day 1 & 2 - Headgear, T-Shirts, Non-Padded Shorts, Football Shoes

*Day 3 - May add shoulder pads

*Day 6 - Full football gear
Body-to-Body Contact

- Contact is only allowable by rule during the football season after the athlete has completed at least 5 separate days of practice.
- Has been defined by the NCHSAA office as any physical contact between players (with or without shoulder pads/helmets).
  - **Live Action**
    - Drill is run in game-like conditions and is the only time that players can be taken to the ground.
  - **Thud**
    - Drill is run at competitive speed through the moment of contact; no predetermined “winner” by the coach. Contact remains above the waist; players stay on their feet and a quick whistle ends the drill.
  - **Control**
    - Drill is run at assigned speed until the moment of contact; one player is predetermined the “winner” by the coach. Contact remains above the waist and players stay on their feet.

*Control drills are not considered by the NCHSAA to be body-to-body contact and are allowed during off-season skill development. Coaches are required to regulate the level and intensity of control drills to prevent an escalation of the drill into “Thudding”.*

*NOTE: This interpretation is in line with the USA Football contact drill explanation as shared with the NFHS.*
Football Related Board Changes

- Eight-Quarter Rule
  - 11th Grade students may now be used by 1A and 2A schools in addition to 9th and 10th students
  - 3A and 4A schools will continue with 9th and 10th grade students only

- New Eight-Quarter Clarification for all Classes
  - If at anytime a player that has been previously eight-quartered suffers a season-ending injury, catastrophic event, or transfers/moves to a different school, the school can submit a request to the NCHSAA for a replacement player be substituted in on their eight-quarter sheet

- Reminder:
  - 1A and 2A schools may eight-quarter 10 students during the season
  - 3A and 4A schools may eight-quarter 5 students during the season
Football Skill Development and Summer Clarifications

- A licensed athletic trainer or first responder must be physically present if any protective equipment (helmets and/or shoulder pads) is worn by student-athletes participating in football skill development during the school year.

- No body-to-body contact is allowed at any time outside of the established football season during the school year and summer.
  - Live Action
  - Thud

- A licensed athletic trainer or first responder must physically attend all summer football 7-on-7 events and must be physically present at all times in any competition area in which contests are being held.
  - If a single field is divided for the purposes of holding multiple contests/scrimmages simultaneously, each of the divided sections must have a licensed athletic trainer or first responder responsible for that section of contest area.
Football Skill Development and Summer Clarifications

- Coaches coaching an outside team either during the sports season or outside the sports season, but during the school year must still abide by the number regulations for students from your school on the team
  - Football is now 10, reduced from 21 in previous years
  - Applies to 7-on-7 competition during the school year
    - Schools are not allowed to sponsor or organize teams, leagues, use school issued equipment, transportation, etc. during the off-season in the school year
    - This regulation does not apply during the summer, outside of the dead periods
USA Football National Team Program

- NCHSAA student-athletes have always been allowed to participate in the *U.S. National Team Regionals and Training Camp* that have been created by USA Football. However, up until this time, the NCHSAA has always interpreted that any further participation in competition events such as the *International Bowl* to be an all-star contest.

- The current NCHSAA Handbook defines an all-star contest:
  - No student shall be permitted to participate in an all-star or bowl game unless he or she has completed high school eligibility in that sport.
  - A game where admission is charged, either directly or indirectly, and one or both teams is composed of players selected from two or more regularly constituted teams.

- *It is to be noted that the NCHSAA currently allows any athlete to participate in events conducted or sponsored by a National Governing Body (Olympics, World Championships, U.S. Nationals, etc.). USA Football has been designated as the NGB of football and a member of the United States Olympic Committee (USOC); therefore, effective immediately, student-athletes are now permitted to participate in games or events conducted and sponsored by USA Football (Freshmen, Sophomores, Juniors, Seniors).*

Playoffs/Seeding - Berths and Qualifications

(a) Lacrosse, Tennis and Wrestling will use pre-determined brackets which will be posted on the NCHSAA Website when they become available.

(b) Conference automatic qualifiers are determined by the number of teams from a given classification in each conference as follows:
   (1) 1 - 4 teams = 1 automatic qualifier
   (2) 5 - 8 teams = 2 automatic qualifiers
   (3) 9 or more teams = 3 automatic qualifiers

(c) Conference tournament champions automatically qualify
   (1) If the regular season champion also wins the tournament, no additional berth will be awarded.
   (2) If a team other than the regular season champion wins the tournament, it will automatically qualify for the playoffs. The team will be seeded as an at-large berth in the playoffs unless already automatically qualified based upon their regular season conference finish.

(d) Split conference application
   (1) The highest finishing team from a given classification will automatically qualify, regardless of overall conference finish.
   (2) Two teams that finish 1st and 2nd overall in the conference from the same classification will automatically qualify regardless of rule 4.1.15(a)(1-3).

   NOTE: Ties for 1st place in the overall conference or for highest finisher in a classification must be broken using the established tie-breaking procedure [rule 4.1.13].

(e) If too many teams qualify using the above criteria, adjustments to the established bracket size will be made to accommodate the automatic qualifiers.

(f) If not enough teams qualify using the above criteria, the bracket will be filled by non-automatic qualifiers in that classification.
   (1) Teams in their classification will be selected to fill the remaining slots in the bracket based upon conference finish then the highest Adjusted MaxPreps ranking.

   NOTE: Under no circumstances may a team "leap-frog" a higher finishing team in its own conference. For this procedure split conferences will have their classifications treated as separate entities.

General Board Changes

2019-20
Gender of Player

- A student may participate based on the gender noted on the student’s certificate of birth.
  - Women shall not participate on a men’s interscholastic athletic team where the school has a women’s team in the same sport or where a school sends an entry to the women’s state playoffs in the same sport.

  - Men’s rules will be used where women play on men’s teams.
  - Men’s shall not participate on women’s team’s in any sport.
Gender of Player

When a student’s gender identity differs from the gender listed on the student’s certificate of birth, the Gender Identity Request Form must be submitted by the member school to the NCHSAA prior to any participation by the student under circumstances that would constitute ineligibility.
Gender of Player

The following information should be submitted with the Request:

- Documentation from individuals such as, but not limited to, parents/legal guardians appointed by a court of competent jurisdiction, friends, and/or teachers, which affirm that the actions, attitudes, and manner demonstrate the student’s consistent gender identification.

- A complete list of all the student’s prescribed, non-prescribed, or over the counter treatments or medications relative to gender identity.

- Written verification from an appropriate healthcare professional (e.g. physician, psychiatrist, psychologist, school nurse, etc.) of the student’s consistent gender identification. Include any other social/emotional information from health-care professionals that would help the Committee make a decision about the student. This information must be submitted on office letterhead of the healthcare professional who provides verification with contact information and professional title of the individual.

- Any other pertinent documentation or information which the student or parent(s)/legal guardian(s) appointed by a court of competent jurisdiction believe relevant and appropriate.
The NCHSAA will refer the Gender Identity Request to the NCHSAA Gender Identity Committee for consideration.

- The NCHSAA Gender Identity Committee will consist of the following:
  - Current member of the Board of Directors;
  - LEA or school administrator;
  - Physician with experience in gender identity health care and/or World Professional Association of Transgender Health (WPATH) Standards of Care;
  - Psychiatrist, psychologist, or licensed mental health professional familiar with the WPATH.

- The Committee will respect and promote the student’s privacy and confidentiality rights under HIPPA and FERPA in the process of considering a Gender Identity Request. Information provided to the Committee will be shared only to the extent necessary to decide the Gender Identity Request; provided that, if a Gender Identity Request is approved, the student’s school may share the student’s gender identity with other schools as necessary to ensure appropriate accommodations when competing at another school.

  - The student will be declared eligible to participate based on the student’s gender identity.
    - 1.2.4.a is not in effect.
  - It shall be the responsibility of the school to comply with all state and federal mandates/laws.
Home School Participation

Initial Eligibility

- Home school students
  
  Documentation from the Division of Non-Public Education must be presented upon initial dual enrollment- attendance, immunization, transcript, school number, etc.

- Home school students must communicate athletic intent at a member school in which they are domiciled and follow the enrollment and assignment procedures/policies established by the local board of education.
  
  Notice to principal must take place at least ten days prior to the first practice date of each sports season.
Home School Participation

Attendance

▶ Home school students:
  ▶ Must have been enrolled in the registered home school for 365 days prior to being eligible in a member school.

▶ Once deemed eligible at a member school, the student must maintain continuous dual enrollment.
  ▶ Unenrollment would render the student ineligible for 365 days.

▶ Must participate in a class schedule that is at least one half of the school’s instructional day
  ▶ At least one class must be on campus each semester or meet LEA requirements.
Home School Participation

Scholastic Requirements:

- A student must have passed a minimum load of work during the preceding semester to be eligible at any time during the present semester. The semester is normally considered half of the academic year. All students must also meet local promotion standards, set by the LEA and/or the local school. **Home school students must be on grade level according to a nationally standardized achievement test(s) indicating grade level.**

- A minimum load is defined as five courses in the traditional school schedule and three courses for schools on the “block” format. If the school is on an A/B form of block scheduling, a student must pass six of eight courses during what would traditionally be defined as a semester. Any student, including seniors must pass that minimum load, even if they need fewer for graduation. **Home school student must pass all public school courses in which he/she is enrolled.**
Transfer Policy

- Students transferring to the same member school where the student’s coach has relocated within a calendar year will be deemed ineligible in any sport in which the coach is involved.
  - Now applies to within LEA as well as from LEA to LEA.

- If deemed ineligible due to athletic purposes, the student will only be ineligible in that sport(s) in which “athletic purposes” was reason for not authorizing.
Foreign Exchange Students

- After the first year of participation as a Foreign Exchange Student
  - Student can be eligible subsequently, based on the two-semester rule
    - Applies to the same school of initial enrollment
Ejection Policy

- Clarified this policy:
  - Leaving the bench and coming on to the playing area during a fight (whether they participate in the fight or not)
Unpaid Fines

Unpaid fines will be posted for NCHSAA membership view only
Eligibility Summary Forms

- **Deadline Changes**
  - Fall - September 1
  - Winter - December 1
  - Spring - March 15

▶ Is there a Licensed Athletic Trainer (LAT) and/or First Responder (FR) on site and what is their contact information? If a LAT or FR is not on site who is the most qualified person to provide CPR and first aid care?

▶ Has the Emergency Action Plan (EAP) been reviewed and where is the posted venue specific EAP located?

▶ What first aid and emergency equipment is available at the venue and where is it located? (e.g., first aid kit, AED/CPR equipment, spinal injury stabilization equipment, exertional heat illness management equipment, etc.)
Pre-Game EAP Review Card

Outdoor Events

► Who will be monitoring environmental and field/facility conditions during the event? (e.g., thunder and lightning, Wet Bulb Globe Temperature)

► Who will notify officials of unsafe environmental or field/facility conditions?

► Has the lightning or thunder disturbances safe shelter and evacuation route been identified?

► What is the Wet Bulb Globe Temperature, if available, at the beginning of the contest?
The Board of Directors instructed NCHSAA Staff to delay the start of the Realignment process by one year. Will take the ADM numbers from Fall, 2020 instead of Fall, 2019. Eliminating the “lame duck year” of the alignment period. New alignment will still begin for the 2021-2022 school year. Decision was to give various committees the opportunity to review the realignment process and the Association’s current classification structure while providing the necessary time for the Board and membership to make any necessary changes to implement their recommendations.
