Home School Participation

Initial Eligibility

- Home school students
  - Documentation from the Division of Non-Public Education must be presented upon initial dual enrollment- attendance, immunization, transcript, school number, etc.

- Home school students must communicate athletic intent at a member school in which they are domiciled and follow the enrollment and assignment procedures/policies established by the local board of education.
  - Notice to principal must take place at least ten days prior to the first practice date of each sports season.
Home School Participation

Attendance

- Home school students:
  - Must have been enrolled in the registered home school for 365 days prior to being eligible in a member school.
  - Once deemed eligible at a member school, the student must maintain continuous dual enrollment.
    - Unenrollment would render the student ineligible for 365 days.
  - Must participate in a class schedule that is at least one half of the school’s instructional day.
    - At least one class must be on campus each semester or meet LEA requirements.
Home School Participation

Scholastic Requirements:

- A student must have passed a minimum load of work during the preceding semester to be eligible at any time during the present semester. The semester is normally considered half of the academic year. All students must also meet local promotion standards, set by the LEA and/or the local school. Home school students must be on grade level according to a nationally standardized achievement test(s) indicating grade level.

- A minimum load is defined as five courses in the traditional school schedule and three courses for schools on the “block” format. If the school is on an A/B form of block scheduling, a student must pass six of eight courses during what would traditionally be defined as a semester. Any student, including seniors must pass that minimum load, even if they need fewer for graduation. Home school student must pass all public school courses in which he/she is enrolled.
Transfer Policy

- Students transferring to the same member school where the student’s coach has relocated within a calendar year will be deemed ineligible in any sport in which the coach is involved.
  - Now applies to within LEA as well as from LEA to LEA.

- If deemed ineligible due to athletic purposes, the student will only be ineligible in that sport(s) in which “athletic purposes” was reason for not authorizing.
Foreign Exchange Students

- After the first year of participation as a Foreign Exchange Student
  - Student can be eligible subsequently, based on the two-semester rule
    - Applies to the same school of initial enrollment
Ejection Policy

- Clarified this policy:
