Saturday, March 24, 2018

Sheraton Chapel Hill Hotel, Chapel Hill, NC

The North Carolina High School Athletic Association invites each of our member schools to register for the Student Leadership Conference (SLC)! Our hope is that student-athletes will (1) further develop their understanding of positive leadership; (2) gain the knowledge and skills to effectively lead their peers; (3) acquire a general understanding of the importance of community service, positive values, sportsmanship, healthy lifestyles and self-evaluation; and (4) feel empowered to serve as advocates for their school, community and state. This **one-day** conference is a great opportunity for them to take steps in the right direction of achieving new levels of leadership.

The 2018 SLC will be held in Chapel Hill, NC at the popular Sheraton Hotel. We invite student-athletes to participate in a day of fun, learning, sharing, and growing with our prestigious keynote speaker and session leaders. Each presentation and breakout session uniquely combines interactive learning with fun and excitement.

Schools can register up to **four student-athletes** who exemplify leadership characteristics or show great potential to be leaders amongst their peers. We also invite one adult chaperone (coach, Athletic Director, Principal, etc.) to accompany the student leaders. The SLC will include three breakout sessions and two exciting keynote presentations. Each participant will be **required to attend all sessions**. The conference theme is Sportsmanship, which will be evident throughout each session.

In lieu of a registration fee, we ask that each participant bring at least two canned goods or non-perishable food items to contribute to a NC Food Bank.

We sincerely hope that you will give your student-athletes the opportunity to be a part of this experience! **SPORTSMANSHIP...Together We Make the Right Call!**

OPENING KEYNOTE SPEAKER

HOAN DO

Student success coach, author, and competitor in NBC's hit show, American Ninja Warrior

From Humble Beginnings to a Bright Future

From an early age, Hoan was conscious of the sacrifices his parents had made in their escape to the United States during the Vietnam War- in pursuit of the American Dream. Feeling indebted to his parents for their courageous pursuit of a better life, Hoan vowed to ensure that one day, he would be able to take care of his parents. Hoan's hard work took him to Malibu, California, where he attended Pepperdine University, fully engaging in the academic rigor and array of opportunities that the school offered.

Stressed Student to Successful Speaker

With the tremendous pressure Hoan placed on himself, in addition to the stresses of demanding classes, extracurricular responsibilities, and important life decisions, Hoan found himself overwhelmed. His self-esteem reached an all-time low. He even contemplated suicide. Refusing to settle and give up on life, Hoan used this experience as a turning point to learn the practical skills that was necessary to succeed in school and in life.

After graduating from Pepperdine University, Hoan beat out candidates who were considerably older and vastly more experienced than him to work with the #1 personal development company in the world. As a national speaker and corporate trainer, Hoan conducted training sessions for distinguished audiences that included: 21, Bank of America, Honda, Toyota, UBS Financial, Chambers of Commerce, and the U.S. Army.

How Hoan Can Help You

Recognized as the best youth mentor by the International Examiner, Hoan travels across North America speaking at colleges, high schools, and associations sharing practical advice that helps students to succeed in school and in the real world.

Hoan's young enough to relate to students, yet old enough to provide life changing advice. His engaging style and ability to share important life lessons in a way that students resonate with has earned him the Verizon Wireless Motivator Award.
