CHAPEL HILL—Allison Sholar, superintendent of the Pender County schools, will once again serve as president of the North Carolina High School Board of Directors for the 2010-11 academic year.

Brooks Matthews, principal of Triton High School, will continue in his role as vice-president after assuming that responsibility in the middle of last year due to the resignation from the board of Daryl Barnes, who retired.

Born in Asheboro and a 1983 graduate of Elon College, Allison taught high school English for five years before moving into administration. At the high school level she has been a principal at Manteo, Currituck and First Flight High Schools and was named Principal of the Year in both Currituck County and Dare County.

She has been a member of the NCHSAA Board since 2005. New Board members were recommended by the NCHSAA’s Nominating Committee, based on the requirements of the Association’s constitution and by-laws. The member schools at eight regional meetings select nominees for consideration across the state, then from among those nominees individuals are selected by the Nominating Committee to fill the available slots. They are approved by the membership at the Annual Meeting.

The new Board members nominated were either filling vacancies produced by members going off the Board due to completion of their terms or those who are off due to retirement or leaving public school work. They include Maurice Green, superintendent of Guilford County (Region 5, representing 4-A) and Leon Mack, director of student activities/athletic director for Cumberland County (Region 4, representing 3-A). Re-nominated to a full term was Shelly Marsh, deputy superintendent of Johnston County Schools. David Ball of Asheville’s Clyde Erwin High School will be taking over the ex-officio position for the North Carolina Athletic Directors Association.

“These individuals will continue to provide outstanding leadership,” said NCHSAA commissioner Davis Whitfield. “We look forward to Allison Sholar continuing to serve as president. She has been a valuable member of the Board and guided us in 2009-10 through a year of historic change with exceptional skill.

“We are also excited about those who will be joining the Board of Directors, which should help us to maintain an outstanding Board to serve our membership.”

Wake County’s Guthrie Earns Prestigious Award

Bobby Guthrie of the Wake County schools has received a significant national honor. Guthrie, who is Wake County’s Senior Administrator for Athletics/Driver Education, has been named the 2010 Coach Educator of the Year by the National Federation of State High School Associations.

Guthrie is a member of the North Carolina High School Athletic Association Board of Directors and has also assisted at a number of NCHSAA state championships.

Tim Flannery, NFHS assistant director, stated “Bobby is most deserving of the award for the work he has done in North Carolina, for representing the NIAAA on the committee and chairing the Ad Hoc Committee recently created. Within a few short years he has demonstrated a leadership style that draws people to the importance of professional development and training.”

Guthrie was one of the first athletic directors in the nation to promote the NFHS coach education program. He has taught the fundamentals of coaching course to large numbers of coaches in the state.

North Carolina has 3590 coaches that have taken the NFHS Fundamentals of Coaching Class, and 104 have taken the First Aid Class. The coaches that have taken both classes are one online class away from being a Level 1 Accredited Interscholastic Coach. The coaches who have taken the NFHS Fundamentals of Coaching Class are two online classes away from being a Level 1 Accredited Interscholastic Coach.

North Carolina ranks sixth among the nation's state associations for coaches who have completed Federation coaching courses, even though the courses are not mandatory in North Carolina and are mandatory in several other states.

“The number of coaches in North Carolina that have taken this training is a tribute to Bobby,” said Davis Whitfield, the NCHSAA commissioner. “He has seen the value of educating coaches. He not only has a passion for our young people, but he also has a passion for coaches. He was a coach, and when he tells coaches that this is something important, they listen.”

Ragsdale Names Gymnasium In Honor Of Mike Raybon

JAMESTOWN—Ragsdale High School has formally named its gymnasium for a North Carolina High School Athletic Association Hall of Famer.

The school named the gymnasium in honor of Mike Raybon at ceremonies prior to a Ragsdale football game in early September.

Raybon was inducted into the NCHSAA Hall of Fame in 2005. He was a long-time athletic director at Ragsdale and was a great wrestling coach as well.

From 1965 to '84, he was the head wrestling coach at Ragsdale, where he started the program. He posted a 216-45-2 mark in that sport, including seven unbeaten seasons, 14 conference championships and three state championships. He served as assistant principal at Ragsdale for a couple of years and then eight years at Southwest Guilford before returning to Ragsdale in '95 as athletic director.

He has won numerous Coach of the Year awards at the conference and state level and for years either directed or served as consultant for the NCHSAA state wrestling championships, helping turn it into a signature event. He has also served as commissioner for several high school athletic conferences and for over 30 years was an outstanding wrestling official.

West Rolls Past East 22-7 In All-Star Football Contest

GREENSBORO—The West put together a strong performance and rolled past their counterparts from the East 22-7 in the 62nd annual North Carolina Coaches Association all-star football game at Jamieson Stadium.

The West took advantage of an East turnover late in the first half that resulted in a 41-yard field goal by Hickory’s Patrick Smith for a 9-0 advantage.

Gastonia Forestview’s Kevin Jeter tallied on a nine-yard run to push the margin to 22-0 with 7:02 left to play.

The East’s lone score was a 10-yard run by Adrian Scott of Northside (Onslow), with Warren Harvey of Greenville booting the point after.

Banks Jenkins of Myers Park, a 6-5, 200-pounder, caught four passes for 86 yards for the West and was selected as the game’s offensive MVP. He grabbed a 56-yard pass from Hendersonville QB Ben Walgenbach in the first quarter.

Walgenbach completed eight of 20 passes for 140 yards. Kurt Odom of Robbinsville led all rushers with 43 yards in 14 carries for the West.

The win snapped a three-year losing streak by the West in the series.

Walt Davis of South Central headed up the East coaching staff, assisted by Bobby Curlings of New Bern, Bill Dockery of South View, Randy Murphy of West Craven, Freddie “Sport” Sawyer of Washington and Russell Weinstein of Roanoke Rapids.

Spring Scholar-Athlete Winners Named By NCHSAA

CHAPEL HILL—Almost 10,000 individual awards were earned by students in the spring semester for achievements in the classroom as well as on the playing court or athletic field.

The North Carolina High School Athletic Association made the awards in its Scholar-Athlete program, which includes recognition of varsity teams that attain certain grades as well as individual athletes.

A total of 5,296 student-athletes earned the individual Scholar-Athlete award.

Individual Scholar-Athletes attained at least a 3.5 grade point average for the semester in which he or she competed. The award is based on first semester grades for fall and winter sports and second semester grades for spring sports, and the school submits the nomination form verifying the grade point average on behalf of the athlete or team.

In the team division, a varsity team earns Scholar-Athlete recognition by attaining a 3.1 aggregate GPA for that designated semester. The school receives a certificate from the Association honoring the accomplishment and each member of the squad will also receive a certificate. A total of 4,602 individual awards were given in this category, and 320 varsity teams captured team honors.

A minimum of five individuals is necessary to constitute a team, and all team members must be included in figuring the team GPA. The team achieving the highest grade point average in the state in its particular sport and submitting its application by the appropriate deadline receives a plaque commemorating that achievement.

Ashe County captured two team awards at the state level.

“We are extremely proud of the achievements of these outstanding student-athletes,” said Davis Whitfield, NCHSAA commissioner. “Our Scholar-Athlete program demonstrates that we have a tremendous number of athletes who are participating in athletics and succeeding in the classroom.”

The Scholar-Athlete program recognized over 20,000 individuals during the course of the 2009-10 academic year. This recognition has been a part of the NCHSAA program for over 20 years.

Members of the North Carolina High School Athletic Association staff, along with spouses and family members who were in attendance in San Diego for the National Federation of State High School Associations (NFHS) annual summer meeting, participated in a community service project while at the meeting. The group helped pick up litter on the beach at Coronado Island and in surrounding neighborhoods in conjunction with several San Diego-area organizations. North Carolina had the largest contingent of any state participating in the service project.

TOMMY OWEN

FAYETTEVILLE—Tommy Owen, a long-time high school football coach, died at the age of 78 at the end of June.

He coached at Pine Forest High School in the 1960's and early '70's and had also coached at Fairmont and Roseboro-Salemburg. He was also recognized as an outstanding social studies teacher.

CHARLOTTE—One of the legends of North Carolina high school athletics has passed in mid-July.

Dave Harris of Charlotte died after a period of declining health, just a few days short of his 86th birthday. The memorial service was held at First Baptist Church in Charlotte.

A graduate of Statesville High School and then of Wake Forest University in 1946, where he played in the first Gator Bowl, Harris is one of only three members of the NCHSAA Hall of Fame's charter class in 1987.

An outstanding coach and athletic director, he coached at Thomasboro High School for one year after earning his masters' degree at Appalachian State, and then embarked on a highly successful 20-year career as head football coach and athletic director at Harding High in Charlotte. Then from 1967 until 1990 he served as the athletic director for the Charlotte-Mecklenburg school system, where he was considered one of the state's best athletic directors. The NCHSAA award for Athletic Director of the Year is named in his honor.

**“Concussion in Sports” Course Free To Coaches, Parents, Players**

**INDIANAPOLIS, IN**—With high school sports underway for this academic year, coaches, parents, players and officials are encouraged to complete the Concussion in Sports—What You Need to Know online course offered free of charge by the National Federation of State High School Associations (NFHS). To date, more than 47,000 persons have registered and completed the NFHS Coach Education course available at www.nfhslearn.com.

The North Carolina High School Athletic Association has actively promoted the NFHS Coach Education offerings.

Concussion in Sports provides a guide to understanding, recognizing and properly managing concussions in high school sports. The Centers for Disease Control (CDC) has endorsed the course and provided many useful resources.

“Although coaches, parents and players involved with football will certainly benefit from Concussion in Sports, research shows that concussions occur in other sports as well,” said Bob Gardner, NFHS executive director. “With more than 7½ million young people involved in high school sports, minimizing the risk of injury is extremely important. The course is a ‘must do’ for anyone associated with high school sports.”

The 20-minute online course is designed to highlight the importance of recognizing and responding to sports-related concussions, which pose a particularly high risk for adolescents. The course is hosted by Michael Koester, M.D., chair of the NFHS Sports Medicine Advisory Committee (SMAC) and director of the Sports Concussion Program at the Slocum Center for Orthopedics and Sports Medicine in Eugene, Oregon.

Individuals have access to the course and printable resources, including a parent’s guide to concussion in sports, a coach’s guide, an athlete fact sheet and materials for schools to implement a protocol for concussion treatment.

According to the 2009-10 High School Sports-Related Injury Surveillance Study, more than 140,000 high school athletes suffer a concussion each year. The study, conducted by Dawn Comstock, Ph.D., director of the Center for Injury Research and Policy at Nationwide Children’s Hospital in Columbus, Ohio, also indicated that the incidence rate for concussion is highest among football players. The next two highest rates among men’s sports are ice hockey and lacrosse. For women, the incidence rate is highest in soccer, gymnastics and lacrosse.

In addition to education courses, the NFHS has been the leader in establishing playing rules to deal with concussions. In 2008, the SMAC advocated that a concussed athlete must be removed from play and not allowed to return to play on the same day. In 2009, the position was adopted by a leading group of sports concussion experts and the National Football League (NFL).

For 2010-11, the NFHS implemented new guidelines for the management of a student exhibiting signs, symptoms or behaviors consistent with a concussion. Based on the SMAC, these guidelines have been included in all NFHS rules books for the 2010-11 season. The language reads: “Any athlete who exhibits signs, symptoms or behaviors consistent with a concussion, such as loss of consciousness, headaches, dizziness, confusion or balance problems, shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health-care professional.”

The NCHSAA also has additional policies in this area.

The NFHS Coach Education Program began in 2007 with two core courses—Fundamentals of Coaching and First Aid for Coaches. The core courses provide coaches with content from all eight domains contained in the National Standards for Sport Coaches (NASPE 2006). These two courses form the foundation from which all elective courses and sport-specific courses are developed specifically for interscholastic coaches.

To date, more than 140,000 coaches have completed Fundamentals of Coaching. Forty-five of the 51 NFHS member associations have adopted or recommended the course. All 14 of the NFHS coach education courses, including sport-specific courses for football, soccer, softball, spirit, volleyball and wrestling, are available at www.nfhslearn.com.

**National Track and Field Rules Changes Reflect Several Changes In Penalties**

**INDIANAPOLIS, IN**—Several of the 15 new rules changes approved by the National Federation of State High School Associations (NFHS) Track and Field and Cross Country Rules Committee have more lenient penalties than in the past, including a team warning for the first jewelry violation when observed during competition.

The changes, which were subsequently approved by the NFHS Board of Directors, take effect with the 2010-11 school year.

While jewelry is still prohibited in all track and field events under Rule 4-3-3, the first violation witnessed by an official will now result in a team warning. The observing official shall report to the meet referee, who will then notify the coach of the offending school. All subsequent violations will result in a disqualification of the athlete(s)/relay team from the event.

With regard to medical-alert medals, which are not considered jewelry and are allowed, the rule now reads that the alert should be visible. The committee thought medical alerts that aren’t visible defeat the purpose of wearing information that may be important to those responding to an emergency, and responders may need immediate access to the alert.

The rule has also been updated to reflect new technology in medical-alert notification items. Any bracelet made of metal or an unyielding material still needs to be taped to the body, but a bracelet made of pliable material does not require taping. Medals worn on necklaces of any kind still need to be taped to the body.

Additionally, Rules 4-3-3 and 9-6-7 were amended to allow additional means of hair control. Unadorned devices, such as bobby pins, barrettes and hair clips, no longer than two inches, may be worn to control a competitor’s hair. This rule was updated to reflect common practice in some states and achieve consistency throughout the rule’s application. These items for hair control are not considered dangerous for the contestant and are not considered jewelry or adornment.

Other rules changes allow more leniencies in what is considered a foul, primarily in high jump and pole vault.

All the rule changes are part of the NFHS track and field rules.
2009-10 Wachovia Cup Final Standings Announced

CHAPEL HILL—Wachovia, a Wells Fargo company, and the North Carolina High School Athletic Association announced the final standings in the Wachovia Cup competitions for the 2009-10 academic year.

The Wachovia Cup award, sponsored by Wachovia and the NCHSAA, recognizes the high schools that achieve the best overall interscholastic athletic performances within each of the state’s four competitive classifications. The Wachovia Cup program has concluded its 31st year.

Cary Green Hope maintained its lead after winter sports to capture the Cup in the final 4-A standings. Raleigh Cardinal Gibbons, which moved up the 3-A ranks this year, took the top spot in that classification. Salisbury was the Cup winner among 2-A schools while Kernersville Bishop McGuinness captured first place in 1-A.

“Sincerely appreciate Wachovia’s commitment to our overall program in recognizing our champions for over 30 years,” said Davis Whitfield, NCHSAA commissioner. “These schools who win the Wachovia Cup do a tremendous job with their overall athletic programs, and we are grateful for Wachovia’s desire to recognize their achievements.”

In the 4-A classification, Green Hope finished first with 452.5 points to capture its first Wachovia Cup, with defending champion Charlotte Myers Park second with 380. Green Hope preserved its win by taking the 4-A men’s golf title, finishing in the top eight in men’s dual team tennis and in a tie for fourth among 4-A schools in the inaugural open women’s lacrosse championship. Myers Park had a tie for third in men’s tennis, a sixth-place spot in the men’s golf championships, a title in men’s lacrosse and a tie for fourth in women’s lacrosse.

 Ashevillon T.C. Roberson, always a Cup contender, was third with a total of 372.5 points, powered by a state runner-up finish in the softball championships, a tie for third in baseball, and a fourth-place spot in women’s outdoor track.

Cardinal Gibbons made its move to 3-A successful, holding on to the top spot schools with playoff points in an impressive six different spring sports, including second-place finishes in both women’s soccer and men’s tennis. Gibbons recorded a total of 657.5 points, ahead of runner-up Charlotte Catholic at 587.5.

Chapel Hill, which garnered playoff points in five different spring sports, was third with 567.5 points, just ahead of Waxhaw Marvin Ridge at 565.

Salisbury, which had built up a sizable lead after the winter sports, had an impressive spring to secure its fifth Cup all time. Salisbury recorded 612.5 points, including winning the men’s outdoor track title, finishing second in both women’s outdoor track and men’s golf, and a tie for third in men’s golf. Carrboro, with a strong spring, was second with 465 points after finishing in a tie for fourth in last year’s Cup standings. Among the Jaguar team highlights were a tie for third in women’s soccer and a tie for fourth place in the women’s track and field championships.

Pittsboro Northwood, which was the state 2-A runner-up in men’s tennis, finished third in the Cup standings at 367.5 and Hillsborough Cedar Ridge was fourth, 10 points out of third.

In the 1-A classification, Bishop McGuinness collected playoff points for positions in men’s golf, women’s outdoor track, women’s soccer, baseball and men’s lacrosse en route to a total of 575 points, ahead of Durham’s North Carolina School of Science and Math at 505. NCSSM won the state 1-A men’s outdoor track title and finished second in men’s track and in men’s tennis to go with top-eight finishes in women’s soccer and softball.

Hendersonville, the school that has recorded the most Wachovia Cups of any NCHSAA school with 13, finished third in the standings with 457.5 points, and Lake Norman Charter was back in fourth at 297.5.

Wachovia Cup points are determined by a system based on performance in state championship events.

All schools that finish in the top eight positions (plus ties) earn points. In the playoff events involving teams from more than one classification, Wachovia Cup points are awarded based on the school’s standing against other schools in its own classification. If fewer then eight schools from a classification compete in a sport, only those schools that are represented are eligible to receive the Wachovia Cup points.

Points are awarded for all sports as follows: 50 for first, 45 for second, 40 for third, 35 for fourth, 30 for fifth, 25 for sixth, 20 for seventh and 15 for eighth. In the event of a tie, the schools receive an equal number of points based on the number of teams that tie and the number of teams that finish higher in the standings. Five points are awarded for each sanctioned sport in which a school competes.

Wachovia Cup standings are announced three times each school year: once after the fall and then the winter sports, and concluding with the winner after the spring sports season ends in June. The engraved silver cups are presented during NCHSAA Day activities at UNC-Chapel Hill each fall.

East Men, West Women Take Soccer All-Star Decisions in Greensboro

GREENSBORO—Midfielder James Johnson of Jacksonville scored two goals and was the game’s Most Valuable Player as he led the East All-Stars to a 2-1 decision over the West in the North Carolina Coaches Association men’s soccer all-star game at UNC-Greensboro.

Both of Johnson’s goals were unassisted with his tally in the 62nd minute breaking a 1-1 tie. He will continue his career at South Carolina.

Jeremy Dennis of Charlotte Vance scored the West’s only goal late in the first half.

John Sweeney of Southwest Onslow was the East men’s head coach while Brian Jillings of Hickory was at the helm for the West.

It was the fourth win for the East men in the last five years in the series. Alex Kachulis of Weddington knocked in a goal and added an assist as the West sprinted past the East 4-1 in the women’s game. Kachulis was named the MVP.

The West scored two goals within a six-second stretch in the first half, with Brandi Baldwin of Sun Valley and then Kachulis finding the back of the next for a 2-0 lead. Lexi Miller of Raleigh Broughton tallied for the East to cut it to 2-1.

Ashley Aragona of Marvin Ridge and Jennifer McGorty of Northwest Guilford had second-half goals for the West, which outshot the East 15-9.

Gary Hollett of Charlotte Catholic was head coach of the West women while East Duplin’s Joey Jones headed up the East.

The West women have won three of the last four all-star games.

12 NCHSAA Member Schools Compile Long Ejection-Free Streak

CHAPEL HILL — The North Carolina High School Athletic Association has announced that 12 member schools in the NCHSAA have put together an outstanding performance streak, although it is not based on wins and losses or championships.

The schools have been without an ejection in any sport for five consecutive academic years.

The schools include Ocracoke and Chocowinity Southside in Region 1; North Duplin, Pamlico and South Lenoir in Region 2; South Columbus in Region 4; Kernersville Glenn in Region 5; Gastonia Ashbrook in Region 6; Morganton North Carolina School for the Deaf, Watauga and West Wilkes in Region 7; and Nantahala in Region 8.

There was no school in Region 3 to go ejection free for the five-year period, from 2005-06 through 2009-10.

The guidelines record ejections for unsportsmanlike acts such as fighting, taunting, profanity, obscene gestures or disrespectfully addressing or contacting officials.

“These exemplary programs serve as a model for all 390 member schools of our Association in terms of sportsmanship and behavior of coaches and players to compile this kind of streak,” said NCHSAA commissioner Davis Whitfield. “We hope that this list of long-time ejection-free schools continues to grow in the future.”

RALEIGH—Senior midfielder Alana Soetaert scored a goal and had an assist to lead Swansboro to a 2-1 victory over Forbush in the North Carolina High School Athletic Association state 2-A women’s soccer championship game at the Curtis and Jackie Dail Soccer Stadium on the campus of North Carolina State University.

Soetaert was named the Most Valuable Player of the championship as the Lady Pirates won their second straight state title over Forbush and their third state crown overall in the last five years.

Swansboro started quickly in each half, scoring on the first shot attempted in each period. The Lady Pirates got on the board in the game’s second minute on Soetaert’s tally, then in the 43rd minute the Pirates made it 2-0 with Soetaert assisting Breanna Briggs on the goal.

Forbush cut it to 2-1 at the 67-minute mark on a goal by senior forward Leticia Patino off an assist from Jessica Baity, but the Falcons could get no closer.

Forbush actually outshot Swansboro 11-9 on the day. The Lady Pirate victory spoiled the Forbush bid for a perfect season.

Swansboro finished 22-4-1 overall while Forbush, in its third straight final, still looking for that elusive state crown, wound up 26-1.

Southwest Onslow Blanks Avery 2-0

In State 1-A Women’s Soccer Final

RALEIGH—Southwest Onslow struck quickly in a two-minute span in the second half as the Stallions blanked Avery County 2-0 in the North Carolina High School Athletic Association state 1-A women’s soccer championship game at the Curtis and Jacqueline Dail Soccer Stadium on the campus of North Carolina State University.

After a scoreless first half, Avery dominated the opening minutes of the second half until Southwest struck quickly for a pair of goals. The first tally came in the 49th minute when sophomore midfielder Armani Boswell lofted what almost appeared to be a cross from the right wing but it found its way into the back of the net for a 1-0 lead.

Moments later, Jeseca Hinds collected a rebound after a Stallion shot and...
knocked it in for a 2-0 advantage, pushing her team-leading goal total to 20 for the season. Southwest did a good job of utilizing its speed and possessing the ball, especially down the stretch.

Senior central defender Samantha Williams, who helped Southwest control the midfield, was named as the Most Valuable Player. Senior tri-captain Meagan Robeson, with four saves, earned the shutout in goal for Southwest, the 10th of the season for the Stallions and fourth in the playoffs. Southwest had an 18-7 advantage in shots on goal.

Both teams were making their initial trip to an NCHSAA women’s soccer final. Southwest finished with a 15-2-2 record while Avery was 20-2-2 overall, but the Lady Vikings enjoyed their best year ever with four playoff victories this year after only two all-time prior to this season.

North Meck Outlasts Hoggard In Penalty Kicks In State 4-A Women’s Soccer Championship

RALEIGH—It went down to a second round of penalty kicks, and Lisa Myers tallied on the eighth PK as North Mecklenburg outlasted Wilmington Hoggard 2-1 in a battle of Viking teams in the North Carolina High School Athletic Association state 4-A women’s soccer championship game at the Curtis and Jacqueline Dail Soccer Stadium on the campus of North Carolina State University.

The teams battled through 110 minutes of grueling play, including the regulation 80, two 10-minute overtime periods and two five-minute sudden-victory periods. Both teams converted four of five in the first set of penalty kicks, with North sophomore keeper Emily Rusk and Hoggard freshman keeper Sarah Downing unable to keep the shooters at bay.

Then in the round of sudden-death in the shootout, both teams converted their first two attempts. Rusk came up with a save on the eighth attempt, this one by Blythe Rhodes of Hoggard, and then Myers pushed her attempt past Downing to end the marathon.

Rusk was voted the Most Valuable Player of the championship. She had six saves prior to the shootout, including keeping the game 1-1 early in extra time with a tremendous diving save, one of several great chances Hoggard had in the two 10-minute overtimes.

Sophomore midfielder Alison Stearns had opened the scoring in the 11th minute when her goal put North Mecklenburg in front 1-0. Then with less than 19 minutes left to play in regulation, Hoggard senior midfielder Madyson Marshburn headed in the equalizer after a long free kick from near midfield.

North had a 7-4 edge in shots on goal in regulation, but Hoggard took the advantage in the overtimes so each team finished with 10 shots on goal.

North Meck completed a 21-3-2 season in earning its first NCHSAA women’s soccer title. Hoggard, also in the finals for the first time, wound up 25-1 after winning its last two playoff games 1-0 in overtime.

Marvin Ridge Downs Cardinal Gibbons 1-0
In 3-A Women’s Soccer Championship

RALEIGH—Senior forward Toni Lashley’s spectacular first-half goal stood up as Marvin Ridge shut out Raleigh Cardinal Gibbons 1-0 in the North Carolina High School Athletic Association state 3-A women’s soccer championship game at the Curtis and Jacqueline Dail Soccer Stadium on the campus of North Carolina State University.

The win completed a perfect 24-0 season for Marvin Ridge, a relatively new school just in its third year of existence as it won its initial NCHSAA women’s soccer title.

The Mavericks notched the only goal of the game in the 19th minute, when Kaitlyn Sulser delivered a cross and Lashley made an acrobatic, mid-air volley that found the back of the net from about 10 yards out. It was Lashley’s team-leading 19th goal of the season.

Lashley, who was an offensive threat all day for the winners, was named the match Most Valuable Player.

It was a dominating performance for Marvin Ridge, as the Mavericks outshot Gibbons 19-1 and the Maverick defense did the rest. Marvin Ridge recorded its 20th shutout in 24 games and allowed only four goals all season.

Cardinal Gibbons, which rebounded after a slow 2-4-2 start this season, finished 16-5-3. The Crusaders won a 2-A title in 2007.

North Davidson Stays Unbeaten, Wins State 4-A Softball Crown

RALEIGH—North Davidson completed a perfect 32-0 season with a 7-2 triumph over T.C. Roberson in the championship game of the North Carolina High School Athletic Association state 4-A softball championships at Walnut Creek Softball Complex.

North exploded for six runs in the second inning to take charge, keyed by a two-run triple by Robyn Stanek, to earn the state title for veteran coach Mike Lambros. North Davidson was the state runner-up in both 2008 and ’09.

Roberson cut the 7-0 margin to 7-2 on run-scoring hits in the fourth by Jordan Crichter and Ashley Green, but that was as close as the Rams could come. Marie Mauhar was charged with the loss as T.C. Roberson ended the year at 27-4 overall.

Pitcher Hannah Alexander, who pitched the first five innings for North, was the winning pitcher and was named the state championship Most Valuable Player. She had no-hit Roberson in the opener in a five-inning 10-0 game in the opener, and then the Lady Black Knights had rallied to beat Harnett Central 7-3 later in the evening with Tess Swing earning the victory.

T.C. Roberson got to the title game with a 4-2 victory over Harnett Central in an elimination game. Mary Katherine Pegram limited Harnett Central to just one hit and Karley Yeager's two-run triple in the three-run fourth was the key blow.

Harnett Central ended the year with a record of 23-7.

Eastern Randolph Storms Back To Beat Central Davidson Twice

RALEIGH—Eastern Randolph completed a tremendous second-day comeback as the Wildcats beat Central Davidson, denying a fourth consecutive state championship, with a 9-2 victory in the final game in the North Carolina High School Athletic Association state 2-A softball championships at Walnut Creek Softball Complex.

Eastern had to win three games coming out of the losers' bracket on the tourney's final day and blew open the decisive game with a six-run fifth inning. The Wildcats also took advantage of eight Central Davidson errors.

Pitcher Jessica Gordan, who got two victories on Saturday including the final game, was voted the tournament's Most Valuable Player.

Kayla Saliga led Eastern’s 12-hit attack with three hits in four trips to the plate while Kaitlyn Scheuering and Elliott had two hits each. The Wildcats completed a 31-3 campaign while Central Davidson finished 26-6.

The decisive game was forced when Eastern nipped Central Davidson 2-1 in the first championship encounter, as Dallas Heaton picked up the pitching victory and hit the game-winning home run in the sixth inning to break a 1-1 tie.

Katie Lohr had two this for Central. Carley Tysinger was the losing pitcher.

Eastern Randolph advanced to the title game with a 2-0 victory over South Lenoir in the loser’s bracket final. Gordan limited South Lenoir to three hits, two by Lorri Cole. Eastern broke the scoreless tie in the bottom of the sixth when Kaily Hill’s base hit scored two. Jana Cheek had two of Eastern Randolph’s five hits.

South Lenoir finished with a 19-6 record.

Central won its opener 5-0 over Boonville Starmount behind a 14-strikeout performance by Tysinger, and then defeated Eastern Randolph 5-4, rallying from a 4-0 deficit, to advance to the championship game.

East Surry Wins Third Straight Championship Behind Shelton

RALEIGH—East Surry senior pitcher Hayley Shelton fired a 5-0 two-hit shutout against Swain to lift her team to the North Carolina High School Athletic Association state 1-A softball championship at Walnut Creek Softball Complex.

Shelton was named the Most Valuable Player of the state 1-A championships for the third consecutive year. She struck out seven and didn’t walk a batter in the title game, and she pitched two shutouts on the opening night, beating Swain County 1-0 in her first game and then blanking Midway 2-0.

Shelton fanned 11 and allowed only one hit against Swain and then scattered six hits and fanned seven in her second game.

Shelton was perfect through five innings on Saturday before Brittany Shuler singled in the sixth. East Surry (27-6) put it away with three runs in the bottom of the sixth off losing pitcher Shelby Parker as Swain finished with a 24-6 record.

Swain squeaked by Midway 3-2 in a morning elimination game as winning pitcher Parker struck out nine and limited Midway to two hits, both by Karson Barnes.

Midway ended its season at 21-8 overall.

**East Rutherford Completes Sweep With 4-3 Decision Over Graham**

RALEIGH—Senior righthander Dekotah Thomas went the distance on the mound, striking out 15 and finally quelling a Graham rally in the seventh inning as East Rutherford took a 4-3 decision in the second game of the North Carolina High School Athletic Association state 2-A baseball championship series at Doak Field at North Carolina State University.

The victory gave the Cavaliers a sweep of the best of three series. East had opened the series with a 5-1 victory as Drew Reynolds had two hits and picked up the complete-game pitching victory. Reynolds was named the Most Valuable Player of the series.

Derek Deaton of the Cavs, who had three hits Saturday including two doubles, delivered a key two-bagger as did Reynolds in the third inning to put East up 2-0. Then Trent Dorsey blasted a two-run homer in the fourth to put East ahead 4-0.

But the Red Devils battled back in the bottom of the seventh, piecing together four hits and three walks to pull to within one run. Matt Holley and Blake Throneburg had run-scoring hits and Matt Roberts walked with the bases loaded to make it 4-3, but Thomas struck out Riegelbert Mendoza to end the threat and secure the state crown.

East Rutherford ended the season 30-2, winning its last 17 straight, and captured its fifth state title in the last nine years. Graham finished 20-13 overall.

**Shepherd’s Walk-Off Hit Lifts West Wilkes To 1-A Championship**

ZEBULON—Jacob Shepherd’s walk-off single in the bottom of the ninth inning scored Logan Hallock with the winning run as West Wilkes edged Dixon 7-6 at Five County Stadium in extra innings in the third and final game of the North Carolina High School Athletic Association state 1-A baseball championship series.

The dramatic finish gave the Blackhawks the NCHSAA 1-A state championship. West Wilkes had evened the series in a 14-10 slugfest earlier in the day, as the Blackhawks banged out 15 hits, four each by Tyler Stotler and Grafton Church. The first game of the series was also a wild one, as Dixon’s Rookie Davis pitched a no-hitter but walked 13 as the Bulldogs took an 8-3 decision.

Scott Gambill of West was selected as the championship Most Valuable Player. He was one for three with an RBI in the decisive game, but went three for nine for the series with four RBI and also walked four times.

West Wilkes had opened up a 6-1 lead before the Bulldogs came storming back to tie the game. The Blackhawks scored four in the first, with the big blow a bases-loaded double by Ethan Absher that cleared the bases. West made it 6-2 in the third on a single by Shepherd, a walk and a couple of infield outs.

Dixon countered with a run-scoring single in the fifth by Rodman Young, who was three for three on the night, scoring T.J. Johnson, who had doubled. Then the Bulldogs knotted the score with four in the sixth, the key blow a two-run single by Young. Matt Rouse and Caleb Lanier also had RBI hits in the frame.

The Blackhawks appeared poised to win it when they loaded the bases in the bottom of the seventh with no outs, but Davis retired the next three hitters to force extra innings with the score 6-6.

Hallock earned the win in relief while Davis got the loss. Stotler, Shepherd and Absher each had two hits for West while Matt Rouse added a pair of hits for Dixon.

Both teams were making appearances in the NCHSAA finals after long absences. Dixon hadn’t been to the championships since 1977 and West Wilkes last played for a baseball state crown in 1987. West finished its season at 23-12 while Dixon wound up 25-7.
