

Licensed Health Care Provider Concussion Return-To-Learn Recommendations

Licensed Health Care Providers (LHCP) are **STRONGLY ENCOURAGED** by the NCHSAA to have expertise and training in concussion management. LHCPs include the following individuals: Licensed Physician (MD/DO), Licensed Athletic Trainer (LAT), Licensed Physician Assistant (PA), Licensed Nurse Practitioner (NP), or Licensed Neuropsychologist.

Name of Athlete:	DOB:	Date:
Following a concussion, most individuals typically need some d such as reading, watching TV or movies, playing video games, worsen symptoms during the acute period after concussion. It recently concussed student-athlete. A Return-To-Learn policy learning environment. Licensed Health Care Providers should c and lower symptom burden. It is important to the review accommodations that may be beneficial.	vorking/playing on the computer and/o Navigating academic requirements and facilitates a gradual progression of cog onsider whether academic and school n	or texting require cognitive effort and car a school setting present a challenge to a gnitive demand for student-athletes in a nodifications may help expedite recover
Educational accommodations that may be helpful are listed be	low.	
Return to school with the following supports:		
Length of Day		
Shortened day. Recommended hours per day	until re-evaluated or (date)
