

2.3.15 **Hazing:** The NCHSAA encourages coaches and other school personnel to create and vigorously enforce rules against hazing and similar practices.

- (a) Hazing is defined as deliberately subjecting another student to physical injury as part of an initiation, or as a prerequisite for membership, into any organized school group, including any athletic team or other similar group; and is against State law. (G.S. 14-35).
- (b) Regardless of a student's willingness to participate, hazing and other humiliating activities expected of a student to belong to a team or group have many negative consequences. It obstructs the development of good citizens, escalates the risks of participation, negates positive contributions, and destroys respect for self, others and a "wholesome athletic environment."

2.4 **SPORTSMANSHIP**

THE QUALITY OF RESPONSIBLE BEHAVIOR CHARACTERIZED BY A SPIRIT OF GENEROSITY AND A GENUINE CONCERN FOR OPPONENTS, OFFICIALS AND TEAMMATES

Students and spectators should:

- realize you represent the school as does a member of a team; therefore, you have an obligation to be a true sportsman, encouraging through this behavior the practice of good sportsmanship by others
- recognize that good sportsmanship is more important than victory by approving and applauding good team play, individual skill and outstanding examples of sportsmanship and fair play exhibited by either team
- remember that the primary purpose of interscholastic athletics is to promote the physical, mental, moral, social and emotional well-being of the players through the medium of contest
- be modest in victory and gracious in defeat
- respect the judgment and integrity of game officials

Student-athletes are expected to sign the sportsmanship pledge, and coaches are expected to sign the code of conduct for coaches.

2.4.1 **Conduct at Games:** The NCHSAA Board of Directors has the power to penalize the school and its officials, the coach, and the individual players in case sportsmanship is not observed. The penalty is to be decided according to the seriousness of the incidents involved.

- (a) Police protection: A law enforcement officer in uniform shall be present at all high school varsity football and basketball games and is recommended for soccer, lacrosse and baseball games, with member schools using their own best judgment as to when and if police are needed in that sport.
- (b) School management is required to provide escort for officials off the field when law enforcement is not there; and the NCHSAA has the authority to require schools to provide law enforcement officer in uniform at games where it deems necessary.
- (c) Code of sportsmanship:
 - (1) It is recognized that public school interscholastic athletic events should be conducted in such manner that good sportsmanship prevails at all times.
 - (2) It is therefore necessary that superintendents, principals and coaches be individually and collectively responsible for taking every possible step to provide the physical arrangements necessary to conduct such events and to promote good sportsmanship at every athletic event.
 - (3) These steps should include the provision of such things as safe and adequate facilities for participants, spectators, and officials; the best possible officials for the events; and adequate control of spectators, players, and pre-game and post-game activities.
 - (4) Every effort should be made to promote a climate of wholesome competition.
- (d) When a situation develops which indicates negligence on the part of school personnel to provide conditions which meet minimum standards for the conduct of an athletic event, or when there is evidence of poor sportsmanship, the superintendent and principal of each school involved shall be expected to investigate and take necessary corrective action.
- (e) When the school or schools involved fail to take adequate action, the NCHSAA will investigate the situation and take the action it deems appropriate.

2.4.2 **Sportsmanship/Ejection Policy:** This policy applies to all persons involved in an athletic contest, including student-athletes, coaches, managers and game administrators. The following examples include behavior or conduct which will result in an ejection from a contest:

 - (1) A team whose players and coaches accumulate six or more individual ejections.
 - (2) A team whose players and coaches accumulate three or more individual ejections for fighting (note: if a situation occurs where three or more players on one team are ejected during one fighting incident, those three individual ejections will cause the team to lose its playoff privileges).
 - (3) If a team hits either threshold (total ejections or ejections for fighting) during the playoffs, it will be disqualified from further participation in the playoffs.
- (e) Penalties are cumulative from sport to sport and from sport season to sport season, but not academic year to academic year.
- (f) Ejections in the last game of the season carry over to the next sport in which the individual participates that year.
- (g) Ejected players may practice during their suspensions but may not play.

- (i) Athletes who are disqualified or ejected during a contest will remain in the team area for supervision (Reference 1.2.12.a.1).

- (l) Any student-athlete or administrator who is ejected or disqualified from a contest is required to complete the NFHS Sportsmanship course before being eligible to return to competition. There is no fee for this program. Any coach who is ejected from a contest must take the NFHS "Teaching and Modeling Behavior" (\$20 fee) course before being eligible to return to competition.
- (m) If a team has players ejected due to fighting, the head coach must take the NFHS Learning Course "Teaching and Modeling Behavior" (\$20 fee). It must be completed before coaching in the next game (see Penalty Code 3.2.1.b for additional information on non-compliance with this regulation).
- (n) Clarification For Soccer Only:

 - (2) Five yellow cards accumulated by the same player will result in a suspension (miss next contest at that level and all contests in the interim)

- (5) Penalties are enforced at the conclusion of the game, and an ejection report must also be filed at the appropriate time for accumulation of yellow cards.

Inappropriate Behavior/Misconduct

- One of the goals of the NCHSAA is to provide a positive experience and safe environment for student-athletes. Therefore, adults, coaches, officials, staffs, and volunteers should maintain professionalism and avoid any appearance of impropriety in their relationships with students. Coaches, in particular, should recognize the influence, power, and position of trust they have with students and should use this only in a student-athlete's best interest.
- Any incident regarding misconduct should be reported promptly to the appropriate authorities. The NCHSAA encourages personnel to create and enforce guidelines against inappropriate behavior and misconduct. Please refer to local LEA policies for more specifics.

2.4.5 **Social Media Policy:** The NCHSAA recognizes, encourages and supports its student-athletes', coaches' and officials' rights to freedom of speech, expression and association, including the use of social media. Social media applies, without limitation, to any web-based and mobile technologies, in use now or developed in the future, that enables individuals or entities to disseminate or receive information, communicate, or otherwise interact. The Association believes that student-athletes, coaches, and officials are role models, and their use of social media should conform to standards consistent with sportsmanlike conduct. Please remember that everything you post is public information, and derogatory, defamatory and otherwise inappropriate social media commentary may result in the imposition of penalties.

2.4.6 **NCHSAA Sports Wagering Position Statement:** The NCHSAA opposes all forms of legal and illegal sports wagering which has the potential to undermine the integrity of sports contests and jeopardizes the welfare of student-athletes and education-based athletics.
