

SOCCER

GENERAL

MAILINGS: Rulebooks are mailed to athletic directors. All other information pertaining to soccer should be found in this section of the Handbook or online.

CLASSIFICATIONS: A, AA, AAA, and AAAA for men; A, AA, AAA, and AAAA for women.

DATE OF FIRST PRACTICE: No earlier than July 30 (men) and February 13 (women).

PRESEASON SCRIMMAGES: Schools are allowed two preseason varsity scrimmages. These scrimmages must be conducted as events open to the public (no closed scrimmages allowed) and one scrimmage must use NCHSAA registered officials. Officials are to work a maximum of two hours per scrimmage. Multiple team scrimmages are allowed. Junior varsity scrimmages are allowed in conjunction with varsity scrimmages at the same date and site.

DATE OF FIRST GAME: No earlier than August 13 (men); February 27 (women).

INCLEMENT/HOT WEATHER GUIDELINES: Precautions must be taken to prevent heat-related problems. The following should be considered when scheduling practice: time of day, intensity level of practice, equipment worn, and environmental conditions. High temperature and high humidity create a dangerous situation for athletes. However, a high humidity and low temperature can cause serious heat-related problems.

Water should be made available in unlimited amounts throughout practice. Water/fluid replacement breaks are recommended each 20 or 30 minutes, depending on practice conditions. Each LEA must have a written policy pertaining to practice on days of extreme heat or early dismissal due to extreme weather conditions. Schools must also have a policy in place regarding lightning. In addition to these guidelines, schools must have a plan/procedure for all emergency situations. See chart at the end of the Sports Section.

NUMBER OF REGULAR SEASON CONTESTS: No more than three per week may be scheduled. Teams are limited to 23 games. An individual is limited to no more than one game per day. Junior varsity conference tournament games count toward the 23-game limit; varsity conference tournament games are considered part of state playoffs.

ENDOWMENT GAMES: An Endowment game may be played, which does not count against the season limit. Schools must request and be granted permission to play an Endowment game by the NCHSAA, and the opponent must be informed that the game is for the Endowment. A total of 25% gross revenue goes to the NCHSAA Endowment for Endowment games; after expenses, the competing schools divide the remainder.

STARTING TIME: A time no earlier than 5:30 pm is recommended, unless facilities dictate otherwise.

TOURNAMENTS: Tournaments are governed by daily, weekly and seasonal limitations.

EJECTIONS: Coaches and athletic directors will be responsible for tracking yellow cards accumulated by their players and all team personnel (including coaches).

- five yellow cards accumulated by the same player will result in a suspension (miss next contest at that level and all contests in the interim). No report should be submitted to the NCHSAA
- an additional five yellow cards accumulated by the same player (season total of 10) will result in an ejection. The player will be suspended from all sports for the remainder of that sports season on the 15th yellow card (or second ejection). This should be reported to the NCHSAA both after 10 and after 15.
- a red card disqualification that is not an ejection is the equivalent of two yellow cards.
- yellow cards are reset to zero once state playoffs begin (after conference tournament). However, all previous penalties must be served.
- with three yellow cards in playoffs, player is suspended for next game. A total of five yellow cards means player is out for remainder of playoffs and may carry over to other sports.
- Failure to file an ejection report (online) is subject to a \$50 fine. Reports must be filed within 48 hours or two working days of the ejection. Penalties are enforced at the conclusion of the game, and an ejection

tion report must also be filed at the appropriate time for accumulation of yellow cards.

An ejection is a judgment call; therefore, there are no appeals. If the wrong player is identified, a correction can be made through the booking agent.

ELIGIBILITY SHEETS: Should be kept on file at the local school. Must be made available to NCHSAA upon request, and are required to be shared among conference members.

NINE-GOAL RULE: If a goal differential of nine is reached by halftime or at any time in the second half, the game shall be terminated.

TIE GAMES: If a tie score exists at the end of regulation play in regular season varsity conference games (or non-conference varsity games with prior mutual consent of the teams), play will continue with two overtime periods of 10 minutes each; if there is no winner at that point, the game shall be considered a tie for both teams. Junior varsity teams do not play overtime periods. In tournament play, tied games must be resolved by the National Federation Tournament Progression Format, and those decisions count in a team's won-loss record. One goal is added to the winning team's score, and an asterisk may be placed by the team advancing to indicate advancement was the result of the progression format.

JUNIOR VARSITY GAME FORMAT: Two 35-minute halves with no overtime period.

UNIFORMED POLICE OFFICER: Law enforcement officer in uniform is strongly recommended at varsity soccer matches. **Furthermore, the host school management must provide an escort off the field for the officials.**

SCHEDULES: Schools are required to submit varsity and junior varsity schedules to their appropriate booking agent by May 15 (men) and December 15 (women).

UNIFORM CHANGING: Not allowed in area of competition. Must use locker room facilities; disqualification may occur.

EQUIPMENT: The alternating dark and light color horizontal stripe socks ("bumblebee") are not legal (National Federation rule). Balls must have the authenticating NFHS ball mark.

OFFICIALS: A three person crew, all NCHSAA-registered, is mandatory for all varsity contests.

PAYMENT OF OFFICIALS: Officials are to be paid based on local fiscal policy as soon as possible. All officials are to be paid the same amount in soccer.

SUSPENDED GAME: If a game is suspended due to bad weather, light failure, etc.:

(1) If suspended in first half, even if one team is ahead, game is picked up from the point of interruption unless coaches agree to end it.

(2) If suspended at half time or beyond, the game is over. If the score is tied when the game is suspended, then the game ends in a tie. If one team is ahead when the game is suspended, then it is the winner.

PLAYOFFS

PLAYOFF DECLARATION: A school has the option to "opt out" of the playoffs, provided it fills out the Playoff Declaration Form on the website, submits it and it is in the NCHSAA offices prior to the reporting deadline for that specific sport. Proper submission means the school will not be considered for either an automatic berth or a wild card position. If the form is not submitted, then the school will be considered and may qualify for a playoff berth.

UNPAID FINES: Schools that have unpaid fines to the NCHSAA are not eligible to compete in the playoffs for that sport (i.e. baseball fine would be specific to baseball playoffs) unless the fine is paid two (2) days prior to the reporting date for that sport.

Any fine not paid at the end of the fiscal year (June 30) will carry over to the following school year making all teams at said school ineligible for playoffs until the fine is paid in full.

REPRESENTATIVES AND TIES IN STANDINGS: If two or more of the conference's teams are tied for a playoff berth at the end of the regular season, (1) the team that won from the other(s) during the season, gets the berth, or (2) if the teams split during the regular season, the approved tiebreaking procedure shall be used (see Game & Sport Administration section).

QUALIFIERS: The number-one seed from a conference will be the regular season champion,

with the number-two seed the winner of the conference tournament. If a team below number-two in the conference wins the conference tournament, it becomes the number two seed. All other berths are determined by regular season standings.

Once qualifiers have been determined and teams or individuals have been placed in the brackets, at no time will another team or individual be substituted in or added to the playoff brackets for a disqualified team or individual. If a disqualification occurs after the playoffs have concluded, that place or position remains vacant.

BRACKETS AND SCHEDULE: In all classifications, games are played on the home field of the higher seed. If equal seeds meet, the home field is determined by the seeding priority listing.

CONFERENCES: Any school not currently fielding a team but wishing to participate should contact the NCHSAA office no later than March 1 in men's soccer and September 15 in women's soccer. Schools should also notify the NCHSAA if they plan to drop programs by these same dates.

SCHEDULE:

	Men	Women
deadline for reporting	October 29, 6 a.m.	May 6, 6 a.m.
first round—	October 31	May 8
second round—	November 3	May 11
third round—	November 7	May 15
fourth round—	November 10	May 18
regional—	November 13	May 21
state championship—	November 16-17	May 24-25

Competing teams should contact each other to work out details for their contest. For the first two rounds of the state playoffs, officials will be assigned by the local booking association of the higher-seeded team. After the first two rounds, officials should come from a neutral booking association or an association mutually agreed upon. Regional officiating assignments will be determined by the NCHSAA and host schools meet to follow up with booking agents. Game time will be 7:00 p.m., unless mutually agreed upon to play at 6 p.m. NOTE: Where the distance is more than 100 miles for the visiting team, game time will be 6:00 p.m. Any other exceptions must be approved by the NCHSAA. Saturday game times may be earlier if mutually agreed upon. Games may be played earlier than the assigned date above if mutually agreed upon. Postponed games must be played the next day, including Saturday.

ADMISSION: \$5.00 prior to the regionals and \$6.00 at the regionals (both include a one-dollar surcharge for the Endowment).

BODY PAINT: No face/body paint is allowed, regular season or playoffs.

REPORTING PLAYOFF QUALIFIERS AND ADVANCEMENT: For reporting potential qualifiers to state playoffs, conference presidents are required to submit the appropriate information online immediately upon conclusion of the regular season. The information includes overall won-loss record and winning percentage for all conference schools. This must be submitted prior to the appropriate deadlines. The overall winning percentage and finish in conference standings will be considered when determining which schools qualify for wild-card berths in playoffs.

Upon conclusion of the conference tournament, the conference president will immediately submit the adjusted **overall** records of all teams. These are the records that will be listed on the brackets themselves when playoff qualifiers are posted.

Failure to comply with the initial reporting procedure will result in a \$400 fine to the conference.

After schools have qualified for the playoffs, it is their responsibility to report advancement by the appropriate method and deadline as designated by the NCHSAA. Failure to report a playoff advancement will result in a \$400 fine to the school. Teams must report advancement no later than 6 a.m. the day following each win. Postponements should also be reported.

Check website for additional information.

TEAM EXPENSES AND FINANCIAL ARRANGEMENTS: The NCHSAA receives 15 percent of the gross gate for men’s and women’s soccer from first round, second round and third-round games. The NCHSAA receives 25% of the gross gate from fourth-round and regional playoff games. In all rounds prior to the state championship, participating schools will divide the remainder equally after applying the following expense formula:

Where the distance between the competing schools is 100 miles or less, the visiting school will pay its own transportation and meals and the host school will provide the playing facility, ticket takers, security and balls at no charge. The officials are to be paid from gate receipts. Where the distance is more than 100 miles, the same plan should be followed except that the officials are paid by the host school rather than from gate receipts. All concession rights belong to the host schools. NOTE: Participating schools are responsible for dividing any deficit or net 50-50.

The principal of the host school or appointed game manager will forward a copy of the financial report and ticket accountability form to the NCHSAA within 10 days after the contest.

TICKET ACCOUNTABILITY AND FINANCIAL FORMS: All forms can be found online.

REGIONAL AWARDS: Team plaques will be presented to champion and runner-up.

STATE CHAMPIONSHIP

ADMISSION: \$8.00 at gate (includes one dollar charge for Endowment).

OFFICIALS: Will be assigned by the Supervisor of Officials.

RADIO AND TV FEE: The fee for live radio broadcast of any championship game is \$50. Any live or tape-delayed television must be cleared by the NCHSAA.

GATE RECEIPTS: The net balance will be divided as follows: 20 percent to each of the competing teams and 60 percent to the NCHSAA.

TEAM EXPENSES: Travel and expenses for 18 players, plus a coach and manager, shall be allowed at the rate designated by the NCHSAA (see basketball section).

AWARDS: Plaques will be presented to the championship and runner-up teams in all classes. Members of the championship and runner-up teams will receive individual awards (25 medals each).

GAME BALL: The Wilson Avanti H9000 is the official ball of the state soccer championship.

NCHSAA SPORTS BRACKETS

For the most up-to-date information on brackets in various sports, including conference playoff berths, seeding priorities and qualifiers, consult the NCHSAA web site at www.nchsaa.org, and use the Playoff Bracket link on the homepage.

Since brackets sometimes undergo changes during the course of an academic year, the decision has been made to omit them in printed form in the Handbook and make them available only on line. This eliminates confusion between brackets printed in some cases many months before the playoffs begin, and the actual updated online versions that may contain changes from the original version.

OFFICIATING

OFFICIALS: Each school must use only NCHSAA-registered officials in all competition.

CLINICS: Head coaches are required to attend one of the NCHSAA clinics in their sport, or in conjunction with the rules sessions at the North Carolina Coaches Association Clinic held in Greensboro in July.

GAME FEES: for all classifications:

	Varsity	Jr. Varsity & 9th Grade
three person crew, regular season	\$55 flat fee	\$45 flat fee
two person crew, regular season	-----	\$50 flat fee
playoffs	\$70 flat fee	-----

There is a \$25 fee per hour (or any fraction of an hour) for officials per field for scrimmages.

BOOKING FEE: School booking fee to officials' association is \$125 per booking and \$100 for each additional booking in that sport.

2012-13 NCHSAA State Soccer Clinic Dates: See NCHSAA website.

Management and Prevention Guidelines and Recommendations

1.Measure WBGT reading if this can be done accurately onsite. If not, determine this from weather station or reliable airport site within 5 to 10 miles of practice site. If WBGT is not available, determine temperature in F/C and Relative Humidity and refer to the following Heat Index Chart:

Heat Index and Physical Exercise Chart		
WGBT Index (F)	Color Code	Athletic Activity Guideline
Less than 80	White	Unlimited activity with primary cautions for new or unconditioned athletes or extreme exertion; schedule mandatory rest / water breaks (5 min water / rest break every 30 min)
80-84.9	Green	Normal practice for athletes; closely monitor new or unconditioned athletes and all athletes during extreme exertion. Schedule mandatory rest / water breaks. (5 min water / rest break every 25 min)
85-87.9	Yellow (Amber)	New or unconditioned athletes should not practice. Well-conditioned athletes should have more frequent rest breaks and hydration as well as cautious monitoring for symptoms of heat illness. Schedule frequent mandatory rest / water breaks. (5 min water / rest break every 20 min) Have immersion pool on site for practice.
88-89.9	Red	All athletes must be under constant observation and supervision. Remove pads and equipment. Schedule frequent mandatory rest / water breaks. (5 min water / rest break every 15 min) Have immersion pool on site for practice.
90 or above	Black	SUSPEND PRACTICE

- 2.As temperatures increase, minimize clothing and equipment.
- 3.Provide unlimited drinking opportunities during hotter practices. NEVER withhold water from athletes.
- 4.If and when possible, pre and post-practice weigh-ins should be conducted. (NOTE: an athlete who is not within 3% of the previous pre-practice weight should be withheld from practice. These athletes should be counseled on the importance of re-hydrating.)
