

NORTH CAROLINA HIGH SCHOOL ATHLETIC CONFERENCE

The North Carolina High School Athletic Conference served for many years as the athletic organization for historically black high schools. The NCHSAC conducted classified state championships in several sports, certified officials and administered its athletic program. Dr. Army Armstrong of Rocky Mount served as its commissioner for many years.

Members of the old NCHSAC, which numbered over 100 at one point, joined the NCHSAA when the Conference merged with the Association. The NCHSAC actually disbanded in 1969. We have diligently researched to uncover state champions, scores of championships, and the like. Unfortunately, there was no master list of champions or game results, and much of what has been uncovered comes from research done by NCHSAA interns in newspaper microfilm or from former coaches and athletic directors. The result of that research in football is listed below.

Our goal is to make this list as complete as possible. Any additions or corrections may be sent to Rick Strunk at the North Carolina High School Athletic Association, Box 3216, Chapel Hill, NC 27515.
