RE: 2015 Winter Board Meeting
DATE: November 2015

I'm pleased to welcome you to our 2015 Winter Board Meeting. For those of you returning, welcome back. I look forward to working with you again in the interest of our young people. For those of you who are joining us this year, you are joining a great group of educators.

Our winter meeting is the perfect time to close out what I'm sure was a busy and challenging start of the year, reconnect with friends, make new ones and look toward the season ahead of us.

So far, we're off to a great start, thanks to the superb leadership of interim commissioner Que Tucker. I extend a sincere thanks to her and her team for all of their hard work this year, and for the effort they've put into preparing the agenda and materials for this meeting.

Thanks to their preparation, I anticipate our time together to be busy and productive. There are some challenges ahead of us, but I have confidence in your commitment to our student athletes and our ability to provide them with the best opportunities and experiences possible.

For now, enjoy your Thanksgiving and time with your loved ones. If you have any questions or need help from the staff or me, please let us know.
