

DIRECTORY 2016-2017 EDITION

ABOUT THIS DIRECTORY

EDITOR'S NOTE: For the 29th year in a row, the North Carolina High School Athletic Association is pleased to publish a comprehensive directory, designed to provide detailed information about each of the NCHSAA's 409 member schools for the 2016-17 school year.

Each entry includes the schools name, address and phone numbers, the school's classification, nickname, colors, county, conference and NCHSAA region. In addition, each of the varsity coaches is listed for both men's and women's sports and the schools also indicate if they have junior varsity teams in various sports.

There are also some key email address listings for principals and athletic directors who provided them.

Each school in the Association updates its School Information entry on line. The data on that completed form is the basis for each school's entry. Data from the two parts of the School Information Sheet is used, not just in the Directory, but in a variety of other ways, and we greatly appreciate the schools which took the time and effort to fill out the School Information Sheet completely.

PLEASE NOTE THAT A SCHOOL'S ENTRY IN THE DIRECTORY IS BASED UPON INFORMATION SUBMITTED TO THE NCH-SAA IN AN EFFORT TO PUBLISH THE BOOK IN A TIMELY MANNER, STRICT DEADLINES ARE NECESSARY.

We hope this publication is one that you can use frequently and we are glad to provide this service. Our goal remains to have every school listed as completely as possible and to get the book published as quickly as is feasible with complete information.
