All Football Team Buses should arrive on Ridge Road from Country Club Road so they are traveling in the correct location. The home team buses will park in the Rams Head Deck tunnel. The visiting team buses will park on Ridge Road. The two (2) team bus permits must be displayed in the team buses for this to happen.

Spectator, Cheer and Band bus parking is on Blythe Drive near the Dean E. Smith Center. However, each school has been provided one (1) unloading pass that will enable the band to unload either the equipment vehicle or the bus on the side of the field in which the team will be positioned. These passes allow unloading only and are NOT for post game or in-game loading. The “visiting team” band or band equipment vehicle may unload with the correct pass on Stadium Drive by Gate 3. The “home team” band or band equipment vehicle may unload on Emergency Drive. Unloading is limited to a maximum of 15-minutes.
