Meet Committee

Steve Riegler, Richard Swor, Mandy McMillan, Eric Hyder, Wayne Shulby- Admin Referee, Richard Wilson – Asst. Admin Referee, Athlete -TBD

Deck Passes

Two deck passes will be issued for each school and will be in your packets at check in. Please have your pass with you at all times.

Relays

The boy's relay swimmers will not be allowed behind the blocks in any relay event until the last girl's heat in the event has started.

Once the swimmers are on the blocks, please be respectful and quiet for the start of the race.

Relay Cards

Prelims

Relay cards for prelims will be in your envelope. Please fill them out with the correct order and designate the lead-off swimmer. Return the cards to Wayne Shulby prior to or at the Coaches' Meeting. If there is any change in the relay team or lead-off swimmer after the event has begun, please see Wayne at the scoring table before the end of the heat in which the team is swimming.

Prelims and Finals are considered one meet.

Finals

For finals, pick up your relay cards and your heat sheet from the Admin Referee when you check in for warm ups. Make any changes to your relays or confirm by your signature if the names and order are the same and return these to Admin before the meet begins. Changes may be made with Admin at the scoring table before the end of the heat in which the team is swimming.

Substitutions may be made for relay swimmers if the athletes' names are on the submitted team roster (Direct Athletics), or any eligible swimmer on the eligibility list signed by the Athletic Director can swim on the relay. To add any swimmer not already entered in the meet, the coach must provide the signed eligibility list. Swimmers may swim a maximum of two individual events and two relays or one individual event and three relays in the meet.

A swimmer who is entered in two individual events who swims two relays in prelims may swim on the same relays in finals but may not be switched to the third relay.

Declared False Start and No Shows

DFS must be provided to the meet referee or deck referee before the event begins. A DFS will be recorded in the final results as a disqualification and counts as an event for the swimmer. Failure to show for an event (NO SHOW) disqualifies the competitor from further competition except for previous qualification in an individual final event. A swimmer who is disqualified from further competition for failure to show cannot participate in any relay after the no show. If a team is unable to field four swimmers who may compete, the team is disqualified.

New this year, swimmers qualifying for finals, may take a DFS for Finals. They will have 30 min. after the end of the prelim session to declare a DFS for Finals with the administrative referee. After that they will have to swim or be disqualified from the remainder of the meet. If there are any ties for alternate positions, Deck Referees will arrange any swim-offs with coaches, so please listen for announcements. Coaches/Athletes should check the final results prior to leaving prelims to ensure you will not be potentially involved in a swim-off. If you leave the facility, we will consider you have declined the swim-off.

Starting Protocol

Whistle starts will be used by the deck referee. The long whistle calls the swimmer to the blocks. At that time a swimmer's goggles and cap should be in position and the swimmer should be ready to swim. Delay in stepping up will result in a delay of the meet disqualification for the swimmer/relay team. Jumping into the water for backstroke events will result in a disqualification. Swimmers must "step in" upon the long whistle command in the medley relay and backstroke events. False starts will be dually confirmed by the starter and deck referee and the swimmer/coach will be notified of a false start at the conclusion of the heat.

Disqualifications

DQ slips will be filled out and signed by the referee. We will page the coach of a team and notify you of a DQ as quickly as possible. Protests of judgment decisions by officials are determined by the Referee and do not go to the meet committee.

Starts and Relay Take-Offs

Dual written confirmation of false starts and relay take-offs is required.

500 Freestyle

500 free is a timed final event. The first heat of men and women will swim in prelims. The fastest 16 men and women swimmers will swim in finals and the event is scored as a timed final.

400 Free Relay

The 400 free relay is a timed final event. **All heats of men and women will swim in finals.**

Alternates in Finals

No alternates will be brought forward in finals unless there is a vacancy due to "prior notice", i.e. illness, ejection or an unforeseen circumstance. No shows are not included. If vacated by a no show, the lane shall remain empty.

Scoring

Scoring is 16 places. Swimmers must have achieved the minimum qualifying time in prelims or finals to score.

GENERAL INFORMATION

- **No deck changing will be allowed.** Athletes must use the locker rooms. The penalty for deck changing before, during or after a meet is disqualification of a competitor from further competition in the meet, to include all events in which the competitor previously qualified (unsporting conduct). (Rule 3.6.1)
- **No Shaving** will be permitted on site.
- No body art except for the event, heat and lane number is permitted on swimmers (hands). Tattoos are permissible as long as they are not offensive in the opinion of the Meet Referee.
- At no time may a swimmer enter the competition pool without the permission of the deck referee.
- No compression tape may be worn by an athlete unless a written note from a doctor/health professional indicating it is for an injury is delivered to the meet referee prior to the beginning of the meet. Any tape on athletes should be presented to the Meet Referee prior to the meet for approval.
- Please ask your team parents and swimmers to refrain from flash photography at the start.
- Results will be posted on the pool deck and in the spectator area.
- No chairs or sitting on the deck unless against the wall or behind the columns
- Please keep your team area clean and insure that the athletes respect the facilities provided to us at Triangle Aquatic Center.

National Time Verification

Electronic results of the meet will be loaded into the USA Swimming database from the regional and state championships for USA Swimming member athletes after the state championships are over. Relay lead-off splits in the freestyle relays will be loaded as well. Contact Suzanne Heath (sheath506@gmail.com) if you have questions on time verification for USA Swimming.
