

North Carolina High School Athletic Association

Media Policies and Procedures

I. General:

These Media Policies and procedures set forth the policies promulgated by the North Carolina High School Athletic Association (NCHSAA) concerning the release of information about NCHSAA business and activities, the issuance of media credentials and broadcast rights for radio, television and other media to NCHSAA playoff, championship and other special events (described herein as “NCHSAA events” or “NCHSAA-sponsored events”), as well as general operating procedures for news media at NCHSAA events. School administrators, print editors and broadcast directors should carefully review these policies and procedures applicable to their organization. NCHSAA reserves the right to amend this policy at any time and in any manner deemed necessary. No exception to this policy may be made by a media outlet, host school principal or contest manager except by written permission of the NCHSAA.

II. Providing Information to the Media

- (a) Any member of the news media may purchase, when available, NCHSAA publications at a reasonable cost to be established by the NCHSAA. Such publications are being printed on a limited basis.
- (b) Playoff pairings for each NCHSAA team sport will be posted on the NCHSAA website immediately after such pairings have been completed and verified by the NCHSAA.
- (c) The NCHSAA will not comment about an eligibility situation prior to it being resolved within the framework of its rules and regulations. At no time will the NCHSAA divulge personal details of the eligibility situation which might compromise the privacy of the student-athlete involved.
- (d) The principal of the member school involved or the person(s) involved may release information about an eligibility case as they see fit.
- (e) The NCHSAA will not release by telephone, fax, mail or otherwise the names of student-athletes involved and/or implicated in any investigation into alleged violations of NCHSAA rules or regulations. Such information may be obtained from the principal of the member school involved or the person(s) involved, if they see fit.
- (f) Generally, media members can expect to receive media notes and rosters upon arrival at NCHSAA-sponsored events. When available, statistics will be distributed to media members after each game as soon as possible. Priority will be given to those media members still on the air producing a live broadcast and those on deadline.

III. Policy for Photography, Film, Video and Audio at NCHSAA-Sponsored Events

- (a) **Copyright/Ownership Rights:** Unless otherwise agreed to in writing by the NCHSAA, NCHSAA is the owner of the rights to and the copyright holder of all NCHSAA audio-visual work, which includes all still photographs taken of NCHSAA events, all film, videotape and audiotape of NCHSAA events and the live audio and visual broadcasts of NCHSAA-sponsored events. Still photography, filming, video taping and audio recording is prohibited at NCHSAA events, except as expressly and specifically authorized by the NCHSAA. All video, broadcast and title rights for NCHSAA-sponsored events are the exclusive property of the NCHSAA. The selling or redistribution of photographs, film, videotape and audiotape from NCHSAA events for personal or commercial gain is strictly prohibited without the express written permission of the NCHSAA, and discovery of any unauthorized distribution will result in the revocation of credentials and/or possible civil damages.
- (b) **Participating Schools:**
 - i. Representatives of participating schools are authorized to take still photographs at NCHSAA events so long as the representative is recommended by the participating school's principal or other appropriate administrator and receives proper photography credentials.

- ii. Representatives of participating schools are authorized to film, video tape and audio tape at NCHSAA events, so long as the representative is recommended by the participating school's principal or other appropriate administrator and receives proper credentials.
- iii. Under no circumstance may still photographs, films, videos or audio tapes, in full or in part, be used for any commercial purpose, unless authorized by, and a rights fee has been paid to the NCHSAA.

(c) Media:

- i. Members of the media are authorized, without paying a fee, to take still photographs and take short film, video and audio clips of NCHSAA-events for print and electronic news coverage.
- ii. Under no circumstance may still photographs, films, videos or audio tapes, in full or in part, be used for any commercial purpose, unless authorized by, and a rights fee has been paid to the NCHSAA.
- iii. The filming or taping of the majority of an NCHSAA event is prohibited, unless prior approval is secured. The media outlet may not air a total of more than three (3) minutes of footage and any such footage must include visual credit to the NCHSAA and the championship rights holder, if any.
- iv. The media outlet will not lend, give away or sell the film or videotape, in whole or in part, except only for the purposes hereinabove specifically set forth and/or in such cases as NCHSAA requests for use by NCHSAA.

(d) Spectators:

- i. Individual spectators **may be allowed** to personally take still photographs at events, for strictly personal use only.
- ii. Under no circumstance may still photographs, films, videos or audio tapes, in full or in part, be used for any commercial purpose, unless authorized by, and a rights fee has been paid to the NCHSAA.

- v. In no event may a spectator interfere with a game play or violate this policy. The NCHSAA and/or school representatives reserve the right to ask any spectator to leave the game/facility in the event they violate this aforementioned policy.

(e) Internet Real-Time Policy:

- i. The NCHSAA grants a media outlet a limited license to use certain gathered information on the media outlet's website beginning at the start of an NCHSAA event and up to the conclusion of such event, all subject to the following limitations and conditions:
 - 1. No more than ten (10) still photographs may be used for news coverage of the game and other editorial purposes. Such still photographs must be used on a time-delayed basis, that is at least thirty (30) minutes after the happening of the event depicted by the still photograph.
 - 2. Unless otherwise authorized in writing by the NCHSAA, video tape is NOT to be used on the website (except the video tape may be shown as part of a single, online "simulcast" of a television station's regularly-scheduled news program).
 - 3. While a game is in progress, the use of textual statistical information is time-delayed and limited in amount (e.g., updates pertaining to score, injuries and national, conference or institutional record-breaking performances, a condensed half-time story) **so that an organization's website game coverage does not undercut the authorized and rights-paying fee organization's rights to play-by-play accounts of the game and/or exclusivity as to such rights.**
 - 4. Any use of social media to textually describe the full contest action of an NCHSAA event with play-by-play is subject to the terms of this policy. Full text play-by-play through social media is allowed, however, the outlet must use the official NCHSAA hashtag for each update posted on the social media site. (Ex: #NCHSAABASE)

- ii. Should any of these conditions be breached, the NCHSAA reserves the right to immediately revoke the credential and have the media outlet removed from the event premises. The NCHSAA may also choose to revoke the media organization's credentials to cover any future NCHSAA events. If this violation occurs during the last game of a member school's regularly-scheduled season, the media organization may not be credentialed for the NCHSAA championship event.
- (f) **Flash Photography:** The use of electronic flash equipment, other than a strobe flash, is prohibited at all indoor NCHSAA events. The NCHSAA and officials covering and NCHSAA event reserve the right to have strobe flashes removed from indoor NCHSAA events at their discretion.
- (g) **Photographers in Bench Area:** The presences of any type of photographer (video or still) in the bench area for all sports is strictly prohibited and no media personnel shall communicate in any way with persons in the team area or coaching box. The NCHSAA prohibits photographers (video or still) from stopping and shooting behind the bench area. In no event may a photographer interfere with a game play and the NCHSAA reserves the right to revoke a photographer's credential at its sole discretion if it believes the photographer is interfering with the game.
- (h) **Media Area/Press Box:** Unprofessional conduct or "cheering" in the working news media area at NCHSAA events will not be permitted. Children are not permitted in the working news media area without written permission from the NCHSAA. These areas will be maintained to offer a working atmosphere conducive to productivity and concentration. Violation of this regulation may result in loss of credentials and ejection from the news media area.
- (i) **Distribution of Materials/Publications:** Unless prior written approval is given by the NCHSAA, in no event may a media outlet distribute publications or print outs on the premises of an NCHSAA event, whether before, during or after a game.
- (j) **No Review:** Still photographs, films, videos or audito tapes may not be used to review decisions of game officials at any live contest.

IV. Live Television & Live Video Internet Streaming

- (a) **Television:** The NCHSAA holds the rights to over-the-air distribution of all contests whether by cable, satellite or other means tantamount in nature to traditional television broadcasts. Live television broadcasts may be permitted during the playoffs and regular season provided certain conditions are met.
 - i. Any station seeking to broadcast via the above methods must complete the Live Broadcast Request form found at NCHSAA.org/media.
 - ii. Once the form has been completed, school personnel will be notified of the request and will alert NCHSAA Staff as to their decision to allow a live broadcast or not.
 - iii. If the school agrees to the broadcast and the NCHSAA's primary television/video partner has declined the game, the requesting outlet will be given approval to broadcast the contest after payment has been remitted to the NCHSAA at least one week (5 business days) prior to the contest.

During the football season, the NCHSAA will publish a list of approved television broadcasts each week on the NCHSAA site.

- (b) **Internet video streaming:** Live internet video streaming of contests is regulated by NCHSAA rule. During the Regular Season, may be allowed under certain conditions. If no television station has purchased the digital and over-the-air rights for production and distribution, stations may request the host school's administration allow a live internet video stream by an outside media outlet. This request may be done during the regular season through the Live Broadcast Form at NCHSAA.org/media or through a conversation with the school athletic director and/or principal. During the playoffs, any request for live video streaming broadcast must be submitted through the form on the Association website.

- i. Minimum Video Streaming Fee: The NCHSAA requires all non-school entities broadcasting contests via live internet video streaming to pay at least the minimum fee for the broadcast to the host school prior to the contest. During the regular season for a football game or basketball doubleheader, the minimum fee is \$150. All other contests the minimum fee is \$100. Schools may require a higher fee at their discretion and are under no compulsion to allow broadcasts by non-school-based groups.

During the football season, the NCHSAA will publish a list of approved live internet video broadcasts submitted through the online form each week on the NCHSAA site.

Note: For questions concerning broadcasts in the playoffs, please contact the NCHSAA office for details.

V. Credentialing Policies and Procedures

(a) Year-Long Credential:

- i. The NCHSAA will issue Year-Long Credentials for approved media outlets that will provide credentialed access at all NCHSAA events and neutral site championships. Media seeking to cover events using Year-Long Credentials should email NCHSAA Assistant Commissioner for Media Relations, James Alverson (james@nchsaa.org), at least 48-hours prior to the start of the Championship with the number of attendees that require media access, workspace, notes and accommodations. Space will be allocated based on the provisions below in the General section of this procedure.
- ii. In order to apply for Year-Long Credentials, an outlet is required to fill out the "Media Outlet Form", demonstrating creation of original content creation only possible through credentialed access. Once approved, an outlet will be able to complete the Individual Form for each person from their team needing credentialed access. Each team member must provide their name, title and a photo for identification purposes. Photos should be similar in style to the photo found on a driver's license or passport (shoulders up, no headwear or coverings, no sunglasses).
- iii. Abuse of Year-Round Credentials, if discovered, could result in confiscation of the credential from the individual in question as well as revocation of credentialed access for other members from the outlet involved.

(b) General:

- i. Requests for media credentials for each single NCHSAA event must be submitted online via the NCHSAA website by the deadline established for the specific event. The online form must be completed in its entirety. It is the responsibility of the individual to confirm that his or her request has been received.
- ii. The issuance of all media credentials to NCHSAA events is at the sole discretion of the NCHSAA staff. Submission of a credential request does not guarantee a representative a media credential. All requests will be reviewed and must be approved by the NCHSAA staff. The NCHSAA will notify any individual whose request has been denied.
- iii. Subject to limitations of space, credentials will be assigned to accredited media in accordance with the following general criteria.
 1. Media outlets who have followed the participating schools on a regular basis;
 2. The circulation/market size/market penetration of the media outlet in question;
 3. Previous coverage of NCHSAA events;
 4. The date of receipt of the media outlet's request for credentials; and
 5. Media outlets that report original and unique content.
- iv. In allocating space for accredited media organizations to NCHSAA events, priority will be given to:
 1. Media which is statewide in scope (wire services, regional television, etc.);
 2. Media which covers their hometown competing teams (daily newspapers, weekly newspapers, radio stations, television/cable stations, etc.);
 3. Media which covers the site of the host facility (daily newspapers, weekly newspapers, radio stations, television/cable stations, etc.); and
 4. All other media (internet sites, specialty publications).
- v. Only those representatives whose requests are submitted by the advertised deadline and are approved will be issued credentials. Late requests will not be guaranteed processing. Media representatives not approved for credentials in advance will not be issued credentials upon arrival at the site of the event. Credentials must be picked up at the media entrance to the event. Under no circumstance will credentials be mailed. Proper photo identification will be required of individuals when picking up credentials.
- vi. Out-of-state media organizations must have a circulation area that includes the community of a participating school and must have covered that school throughout the regular season and state playoffs. All other out-of-state media organizations must explain the necessity for their coverage of the event.
- vii. Media representatives who receive credentials to an NCHSAA event must be on assignment for a specific media organization. Credential requests for freelance reporters, freelance photographers, correspondents or stringers must be submitted on their behalf by the media organizations for which they are working.
- viii. Unless otherwise approved in writing by the NCHSAA, credentials will not be issued to commercial photographers.

- ix. Credentials or complimentary tickets for spouses, friends, etc. of news media representatives will not be provided. Individuals who attend an event with a credentialed news media representative will be required to purchase a ticket.
- x. Media credentials to an NCHSAA event are issued for the sole purpose of identifying and providing complimentary admission and special access to representatives who have a legitimate working function in connection with the event. Credentials are not-transferable and may be used only by those representatives to whom they are issued. Any media organization that wishes to change the name(s) of its credentialed representatives may do so in writing to NCHSAA staff may do so in writing to the NCHSAA staff prior to the event. Unauthorized use, sale or other transfer of a credential will subject the bearer to ejection from the event, revocation of the credential and the indefinite denial of credentials to future events.
- xi. Credentials, once issued, remain the property of the NCHSAA and are subject to revocation and confiscation at the discretion of the NCHSAA Commissioner and/or his/her designees. Grounds for revocation and confiscation of a credential include, but are not limited to, misuse, abuse and/or transfer of the credential to anyone other than to the person to who the credential is issued. Any media outlet whose representative has a credential revoked for any reason is subject to being denied credentials to future NCHSAA events.
- xii. Acceptance of a credential constitutes an agreement by the bearer and his or her organization to abide by the foregoing policy, as well as the following conditions:

(c) Radio Stations:

- i. Radio stations not providing a live broadcast of the event will be limited to one (1) credential. Requests for more than the above allotment will be at the discretion of NCHSAA Staff.

- ii. Requests will be considered on an individual basis and will be issued at the discretion of the NCHSAA.
- iii. The following guidelines will be used when reviewing an internet site credential request:
 1. Internet sites must update news content daily with unique and original content, and have a demonstrated record of sustained coverage of high school sports.
 2. Internet sites must have a unique registered domain name ending in one of the recognized extensions (.com, .cc, .edu, .net, .org).
 3. Parallel internet sites owned and operated by traditional media (i.e., newspapers, radio stations and television stations) may be issued credentials if the request is for the purpose of reporting unique content that only can be accomplished by receiving the credentials. In instances where space is limited, such credentials may be counted as part of the traditional media outlets' allotment.
 4. Internet sites must furnish, upon request, certifiable traffic number from an established auditing firm (i.e. Nielsen), or from its service provider. Hit counters on pages will not fulfill these requirements. The following information may be requested: the average number of "page views" by each visitor; and the name and telephone number of the auditing firm or service provider to discuss and ensure the accuracy of the numbers.

- (g) **High School Student Photography/Journalism:** Provided space is available, one (1) student photography (video or still) credential (see above) and one (1) media credential will be provided for each school participating in an NCHSAA event. Students granted credentials are expected to adhere to all NCHSAA regulations, may be subject to further regulations as determined by the NCHSAA and lose credentials and be ejected from the tournament contest should these regulations be violated. Schools may not request credentials for for-profit businesses and no school contracts for photography needs will be honored at NCHSAA events. This high school student media credential is intended for use by students in their school's journalism program and should include newspaper, broadcast and yearbook journalism. While recognizing the value of providing educational opportunities for students at its member schools, the NCHSAA will make all efforts to accommodate student media outlets. However, space limitations at NCHSAA tournament contests will likely result in the priority for accommodations going to "traditional" media outlets.
- (h) **Recruiting Services/Scouts:** The NCHSAA does not issue media credentials to recruiting services or scouts.
- (i) **Special Requests:** The NCHSAA reserves the right to issue additional credentials to certain media organizations that submit special requests with the NCHSAA. Such decision to issue additional credentials will be at the NCHSAA's sole discretion.
