CODE OF CONDUCT

NCHSAA and All Day Cheerleading, Inc encourages and supports sportsmanship, integrity and fairness among participants and coaches in all facets of cheerleading including, but not limited to, team/squad practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities and believe that coaches are instrumental in promoting and instilling this among their respective team members.

Coaches must adhere to the Code of Conduct found in the NCHSAA handbook.

To ensure the most positive experience for all attendees, NCHSAA and All Day Cheereleading, Inc ask that the following Code of Conduct be adhered to during the NCHSAA State Cheerleading Invitational:

1. Any questions or concerns that affect a team's performance or experience must be communicated by the coach to the Routine Review Table. The appropriate Official will then be called to discuss the situation with the coach.
2. Any routine review ruling by the appropriate Official is final.
3. Judges' rulings are final related to deductions, final team placements and legalities.
4. Participants, coaches, and spectators are prohibited from contacting the Judges during the competition.
5. Any unruly, aggressive, or belligerent behavior by participants, coaches or spectators toward any other attendee or Event Staff will result in a deduction, potential team disqualification, removal from the event and/or barred participation from future NCHSAA and All Day Cheerleading, Inc events.
6. All Day Cheerleading, Inc reserves the right to remove any persons from a competition for unsafe or unsportsmanlike conduct.

SCHOOL ELIGIBILITY POLICY

1. All athletes must meet the eligibility requirements set forth by NCHSAA and their LEA.
2. All athletes and coaches must be listed on the master eligibility list.
3. All members of the cheerleading squad must be current members of the official school spirit squads and must attend the school they are representing.
4. Teams may participate in more than one local or regional competition during the season.
5. All coaches must meet the requirements as set forth by NCHSAA.

UNIFORM GUIDELINES

1. UNIFORMS

- a. All participant uniforms must cover the midriff when standing at attention. Covered midriff does include flesh or nude colored body suits and liners; however, fringe would not count as a cover.
- b. Any team in violation of the uniform guidelines will be assessed a TWO (2) point deduction.
- c. A traditional sideline uniform (that covers the midriff when standing at attention and has an element that is identifiable to your school – colors, logos, letters, mascot, etc.) is required for all divisions.

2. MAKE-UP

- a. If worn, make-up should be appropriate for both the performance and age of the athletes, utilizing colors suitable for skin tone.

3. HAIR

- a. Hair for all athletes does not have to be worn the same but must be secured off the face with a simple style that considers all diversities.
- b. Bows are not required. If worn, bows must:
 - NOT be excessive in size
 - NOT be a distraction to the performance.
 - Be positioned in a manner to minimize risk for all participants. This is restricted to back of the head (below the crown)
 - If the bow has tails, they must be facing backwards and down to limit the ability to fall on to the forehead and into the participants' eyes or block the view of the participants while performing.
- c. A 0.25 deduction will be given for teams in violation of this rule.

TIME LIMITATIONS

1. Introductions

- a. All introductions (entrances, chants, spellouts, etc.) are considered part of the routine and will be timed as part of the performance. Skills are not allowed during the team's entry to the floor or any time prior to starting the performance. EXCEPTION – Game Day See Below
- b. All team breaks, rituals and traditions need to take place prior to entering the mat.
- c. Teams should take the floor immediately with spirit and enthusiasm, but without excessive gestures. Example: running of the flags, chest bumps, hugs, handshakes, etc.
- d. All teams should refrain from any type of excessive celebration following the team's performance. Any team in violation will receive a ONE point deduction.
- e. There should not be any organized exits or other activities after the official ending of the routine.

2. Timing will begin with the first movement, voice, or note of music, whichever comes first.

3. One (1) point deduction for 1-5 seconds over, Two (2) point deduction for 6 and over.

4. Acknowledging the potential variance caused by human reaction speed and sound system time variations, judges will not issue a deduction until 3 seconds over the allowed time. If a routine is re-timed as part of a review, the exact time will be used without the 3 second allowance listed above.

5. Because penalties are severe, it is recommended that all teams time their performance several times prior to competition and leave a several second cushion to allow for variations in sound equipment.

Performance Routines - Each performance routine presentation must include at least one cheer or sideline chant.

- Maximum Overall Time: 2:30 (150 Seconds)
- Maximum Music Portion: 1:45 (105 Seconds)

Game Day Routines - Each Game Day performance must consist of a Band Chant, Situational Sideline, Time Out Cheer and Fight Song.

- Maximum Overall Time: 3:00 (180 Seconds)

*For Game Day Routines, timing will NOT include the team spiriting, rallying, or individuals performing jumps, kicks or tumbling, but will begin with the first group movement, voice, or note of music, whichever comes first.

MUSIC GUIDELINES

1. The NCHSAA State Cheerleading Invitational shall adhere to the USA Cheer Music Copyrights Educational Initiative and all sound recordings used in team's music shall only be used with written license from the owners(s) of the sound recordings.

4. When recording your music for the event, coaches or music editors should edit their song in a Digital Audio Workstation (DAW) and make sure that the volume of the song is at 0. Things to note: Most DAW's have a default that sets a track at -6 when a track is added. Check to see if there is a normalization process after you render or save your work.
5. If you would like to perform your school's original fight song, you may bring a recording of your marching band playing the song. You will need to get the school's permission to use the song and recording. A letter granting permission for the cheer or dance team to use the fight song on school letterhead is enough. It should be signed by your program's administrative supervisor. Go to alldaycheerleading.com for more details.

 - f. If the team challenged can provide documentation that requires further review, a decision will be finalized within 48 hours of the event.
 - g. Any team that submits false paperwork is subject to potential team disqualification, removal from the event and/or barred participation from future NCHSAA and All Day Cheerleading, Inc events.
12. It is required that each team have a responsible adult remain at the music station that knows the routine and music (no alternates or team members allowed). This representative is responsible for pressing "play". Should an adult choose not to stay at the music table for the duration of the routine, and a malfunction occurs, teams may or may not be permitted to perform the routine again.
13. It is not recommended that a smart phone be used for playing music, due to interference that may be caused during a routine. No cover may be on any MP3 player so that a jack may be easily inserted into the device.
14. All teams must provide their own device for use on the event provided sound system. Music should be on a digital music player/iPod/iPhone. CD's will no longer be allowed, and CD players will not be provided at competition.

INTERRUPTION OF PERFORMANCE

UNFORSEEN CIRCUMSTANCES

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition, venue (power outage, fire alarm, etc.), the coach of the team at the music stand affected should STOP the routine.
 - a. Examples: Equipment Issue – Music volume is all the way down and athletes can't hear the beginning of the routine, etc.
 - b. Venue Emergency – power outage, fire alarm, etc.
2. If the coach chooses not to stop the routine, the team may not have the option to perform again.
3. While masks are not required on the warmup floor and/or performance floor unless dictated by state or local guidance, an athlete may choose to wear a mask. If an athlete chooses to wear a mask during the performance and the mask restricts the athlete's view and/or interferes with skills or otherwise becomes a safety concern, the athlete should either secure or remove the mask. If the athlete does not secure or remove the mask, the routine is subject to being stopped by competition officials.
4. **UNIFORM MALFUNCTION** As a precaution, each performer is required to take the necessary steps to avoid inappropriate exposure during the performance. Should a uniform malfunction resulting in indecent exposure occur, the routine should be stopped immediately. This is a shared responsibility of all parties involved to recognize a malfunction has occurred.
5. If allowed to perform again, judging will resume from the point at which the injury/interruption occurred as determined by the judges. The routine must be performed full-out from the beginning of the routine. All point deductions accumulated to that point will carry over. If a team prefers not to re-work the routine, at the coach's discretion, they will take the score they have received up to that point. If a skill has not been performed a "0" will be given in the category. Teams that limit/mark skills prior to the point of injury could result in an adjustment in scores based on the skills performed.

FAULT OF TEAM

1. In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed later, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team must perform the routine again in its entirety but will be evaluated ONLY from the point where the interruption occurred.

INJURY / ILLNESS

1. The only persons that may stop a routine for injury are: competition officials, the coach of the team performing or an injured individual. This is a shared responsibility of all parties involved to recognize an injury has occurred.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed later, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team must perform the routine again in its entirety but will be evaluated ONLY from the point where the interruption occurred.
3. The injured participant that wishes to perform may not return to the competition floor unless:
 - a. The competition officials receive clearance from, first, the medical personnel attending to that participant, the parent (if present) AND THEN the head coach/advisor of the competing team.
 - b. If the medical personnel do not clear the participant, the participant can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver.
 - c. An athlete who has a suspected concussion should be removed from the activity immediately and should not be allowed to return to participation the same day of the incident and without being cleared by a medical professional in accordance with state law or organizational policy.
4. In addition, the sponsor and all of the coaches attending the competition must be familiar with all federal, state and local laws applicable to such individuals and relating to such individuals' duties and responsibilities regarding the recognition and treatment of injuries.
5. In the event of an injury or emergency, 1 parent or legal guardian may be escorted backstage during the evaluation process. While backstage, they will need to remain with the athlete or an event staff member.

RE-PERFORMANCE SCHEDULE

1. The competition officials will determine whether the team will be allowed to perform at a later time.
2. If the competition officials allow a routine to be performed later, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials and must be within thirty minutes after the rest of the division is complete.
3. If allowed to perform again, judging will resume from the point at which the injury/interruption occurred as determined by the judges. The routine must be performed full-out from the beginning of the routine. All point deductions accumulated to that point will carry over.
4. Teams that limit/mark skills prior to the point of interruption could result in an adjustment in scores based on the skills performed.
5. If a team prefers not to re-perform the routine, at the coach's discretion, they will take the score they have received up to that point. If a skill has not been performed a "0" will be given in the category.
