QUESTION SUBMISSIONS

Is there a specified time for awards for each division? There wasn't a schedule for awards times.

Is there a specific reason that jv coed non tumble is not separated into their own division? I see that Varsity coed non tumble has their own division; also other teams are in their own division by themselves so don't understand why the three teams could not be separated out?

Will there be onsite parking for buses?

With the division (2A, 3A, etc) confusion on the first schedule given, are there measures in place to ensure all teams are grouped appropriately? Thanks!

Can we still add/change athletes and add a mascot?

How will the Cups be fair with two different panels?

QUESTIONS?

Nicole@AllDayCheerleading.com
