

Please thoroughly read through the information below and follow the instructions to get started with the NEW Competition Registration System (New MyVarsity). Of course, if you still have issues, please reach out to Danielle, our Registration Specialist (dstaley@varsity.com) or Brandi (ballen@varsity.com).

Welcome to the New MyVarsity

We're excited to launch the [New MyVarsity](#), a streamlined **competition registration** platform built to enhance your experience with Varsity Spirit.

For now, there are only a few things you need to focus on to prepare for registration that opens for the NCHSAA Cheerleading Invitational on September 8th:

Create your New MyVarsity account. [Click here to view our MyVarsity How-To Guide](#)

You do not need to invite parents or athletes, finalize your rosters, or complete waivers before registration opens. REGISTER NOW WITH A "HEAD COUNT" if you haven't already accessed the NEW MyVarsity. Instructions on Rosters will be posted and sent at a later date.

NEW MyVarsity: Helpful Information for Coaches

1. How do I create my NEW MyVarsity account?

You should have received an invitation email with a link to create your account from Varsity Spirit.

- Click the link **in the email**.
- Follow the prompts to create your password and complete your profile.

2. I deleted my invitation email. What should I do?

Go to **events.myvarsity.com** and try signing in with your email address.

If you haven't activated your account or cannot sign in, contact [Varsity Spirit Customer Support](#) for help.

3. My invitation link isn't working. What should I do?

Invitation links are **one-time use** and expire after **8 days**.

If you opened the link but did not complete your profile setup, you will need a new invitation link.

Please contact [Varsity Spirit Customer Support](#) to have a new link issued.

4. How do I add another team to my account?

For example, if you only see your **JV** team but need access to **Varsity**:

- If you have been invited to the additional team, sign in using the new invitation link.
- The additional team will automatically be added to your existing MyVarsity account. Log Out of the account and back in and it will populate for you. Use the drop-down arrow on the far top right corner of your screen to go between teams.

6. How do I give another coach administrative access?

If another coach or staff member needs other administrative access, please email our Registration Specialist, **Danielle Staley** (dstaley@varsity.com).

8. What if I'm both a coach and a parent?

You can manage both roles using the **same MyVarsity profile**.

Follow the instructions in the [How-To Guide, Step 16](#), to associate multiple roles with your account.

Still Need Help?

If you believe you are missing access, please contact Danielle dstaley@varsity.com.
